Note: A plan search application only provides a list of the building approvals registered against a particular property. Should you wish to obtain copies of one or more approvals relating to the property please complete the Copy of Building Approvals application form and refer to the attached Schedule of Fees. It is important to note that an Application for Plan Search is required to be submitted with all Copy of Building Approvals applications. Please be advised that the City cannot guarantee that a building approval/s will be located for the subject property.
