Hi Denis,

We had a Yandi for Change Elders meeting this week and would like to go on the agenda for the soonest available meeting to request a peppercorn lease for 46 Roe Street.

As you know, Yandi for Change has been operating out the building for five years through the Dept of Communities. Julyardi has taken on that role from Oct 1 through a partnership of Elders in the Roebourne and Hedland communities. It would be beyond the means of Julyardi as a locally based NGO to absorb the cost of the proposed lease and we would like to request the same terms that the Dept have been under for the past five years.

The Elders have strong ambitions for the work Yandi for Change can achieve in the Roebourne community and would be very grateful for this support to be granted by the City.

Let me know what else you need to inform your process and get us on the agenda.

Thanks,
Aoife
