Subject: ICR186053 - RV.10 - ICR186050 - RV.10 - Rate increase

Hello, I would like to object strongly to the rate increase proposed by the Shire. The property housing market has dropped substantially and houses are now worth less than a third of purchase price. We have to pull our belt in and I believe the Shire should also operate within its means. I understand they have a surplus of funds, so I don't believe it is the time to increase rates when so many people are doing it tough financially.
