My name is Marion Hudson and our property is 2 Britt place in Baynton. I would like to strongly object to a rate increase for the next financial year. We are finding it hard enough just to pay our mortgage each month let alone all the other expenses that comes with it. The value of our property has devalued year on year for the last 5 years but the rates have increased. Surely with the town the way it is now you can see fit to have a very minimal if Any increase for next year.

Thanks

Marion Hudson
