

## City of Karratha - Karratha Ward - Councillor

### ANGOVE, Anouska

A Pilbara resident for over eight years and a mother to four, I'm extremely passionate about the Pilbara and promoting Karratha as a great place to live and raise a family. I'm very community minded which is demonstrated through my appointment on numerous Boards within the City. As a Justice of the Peace, I regularly volunteer my services to the local courthouse, police and the general public.

My husband and I were fundamentally responsible for the creation of the Karratha Water Polo Association (KWPA) in 2013 and since then the sport has grown at an outstanding rate. KWPA have assisted in highlighting Karratha's exceptional sporting facilities through the national and state tournaments we have hosted.

I have an extensive career history with the Department of the Attorney General, the mining industry and as a small business owner.

I'm excited about working towards a sustainable future for the City of Karratha.
