The Act gives you the right to apply for access to documents held by State Public Sector agencies which includes: Government Departments; Local Authorities; Statutory Authorities and Ministers.

Agencies are required to assist the public obtain access to documents at the lowest reasonable cost, and to ensure that personal information held is accurate, complete, up to date and not misleading. Your right to apply is not affected by any reasons you have for wishing to obtain access, or the agency's belief as to what your reasons are for applying.

The Act also requires each agency to prepare and publish an annual information statement which details the process of applying for information under the Act, as well as information that the City of Karratha (the City) provides outside the Act. This City of Karratha Freedom of Information Statement fulfils the City's obligation in this regard, and is correct as at July 2016. Please note that the information contained in this Information Statement is a general guide and should not be substituted for the FOI Act and regulations. This document can be provided in hard copy upon request, and an electronic copy can be accessed via the City's website at <http://karratha.wa.gov.au/freedom-information-act>.

Our Mission

To provide community leadership and excellent local government services in an innovative and efficient manner to enhance our City's social, cultural, economic and environmental well-being.

Our Values

Leadership: We will provide clear direction and inspire people to achieve their full potential.

Teamwork: We will encourage co-operation and teamwork within and between our employees and our community stakeholder.

City Profile

The City of Karratha has a population of 26,228 and stretches over 15,882 km² in the dynamic Pilbara region of northern Western Australia, 1,535 km north of Perth. The region is the engine room of Australia's economic growth. It has the second busiest airport in Western Australia, and has three established port facilities, with four others in planning stages.

Contained within its boundaries are the six towns of Dampier, Karratha, Point Samson, Roebourne, Wickham and the historical town of Cossack, each with its own function, distinct flavour, and set of business and lifestyle opportunities.

The combination of the City's robust economy and the lifestyle opportunities that are afforded by the local climate means that we have a young, productive and highly aspirational resident population.

Legislative Framework

The operations of local government in Western Australia are governed by the *Local Government Act 1995 (LG Act)*, the various Local Government Regulations, and any other legislation that provides powers and responsibilities to local governments. A non-exhaustive list of legislation (including acts, regulations and local laws) administered by the City is provided at Appendix 1 to this document. This list is not exhaustive or comprehensive and may not be current, so confirmation of current Acts and Regulations by referring to the State Law Publisher at www.slp.wa.gov.au is recommended. The current Local Laws of the City of Karratha can be accessed via <http://karratha.wa.gov.au/local-laws>.

City of Karratha Structure

The City of Karratha is a local government authority under the *LG Act*. The function of the City is to provide services and facilities to the inhabitants of the City via proper and democratic government. The services and facilities are to be provided in an efficient and cost effective manner and in accordance with all relevant legislation. The *LG Act* and associated Regulations set out the rules that shape many of the decision making processes and structures of the City.

Council Structure

The interests of the electors, ratepayers and residents of the City of Karratha are represented by 11 Councillors who are elected to the City of Karratha Council. Local government elections for the purposes of electing Councillors are held every two years, and Councillors are elected for a four-year term, thus ensuring continuity of knowledge and experience of at least half the Council members after each election. Councillors provide guidance to the community, facilitate communication between the community and Council, and participate in the decision making processes of Council that shape the direction that the City of Karratha takes. Collectively, Councillors are responsible for determining Council policies for the City and strategic direction, determining the projects that the City undertakes, and have oversight of the budget for the City.

The Mayor, who is elected by the public every 2 years, presides at Council meetings in accordance with the *LG Act*, provides leadership, speaks on behalf of the City and carries out civic and ceremonial duties. The Deputy Mayor is a Council member who performs the duties of the Mayor when authorised to do so.

A current list of the elected members of Council for the City of Karratha is available at <http://karratha.wa.gov.au/our-council>.

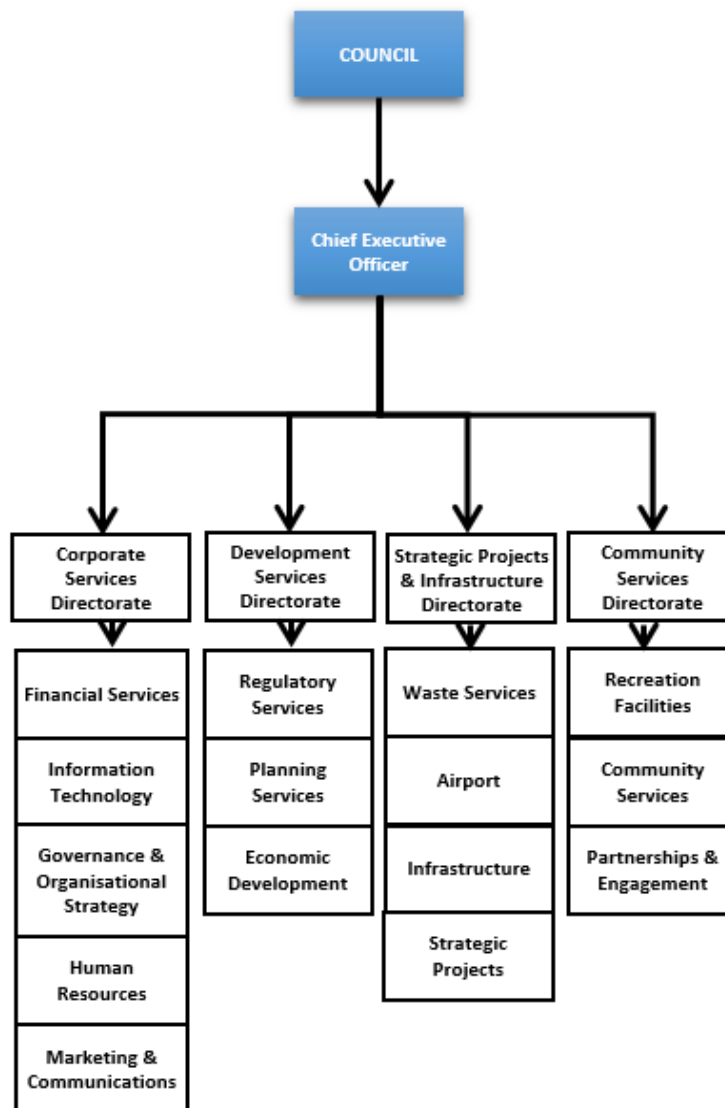

Management Structure

The operations of the City of Karratha are managed by the Chief Executive Officer who is supported by an Executive Management Team and Executive Management Group.

The role of CEO is to act as a conduit between Council and the administration side of the City, and to carry ultimate responsibility for the efficient and effective utilisation of the resources available to the City. The CEO and staff report to Council at monthly meetings with recommendations that Council can accept, reject or substitute with an amended resolution.

The Executive Management Team consists of Directors who assist the CEO in managing the City's four Directorates. The Executive Management Group consists of the Managers of the teams that make up the Directorates.

A visual overview of the management structure of the City is below.

Decision making by the City

The City has been entrusted with the responsibility to oversee the development and progression of the local community. Council delegates decision-making authority to the CEO in some instances, and the CEO may sub-delegate certain decision-making duties to City officers in accordance with the *LG Act 1995*. These delegations are reviewed and approved by Council on an annual basis.

A range of policies have been developed by the City that guide and direct its actions now and into the future. All current Council policies can be viewed on the City's website at <http://karratha.wa.gov.au/policies>.

In performing their roles as decision makers, City Councillors, the CEO and City Officers are required to make decisions that have an impact on the daily lives of residents and ratepayers of the City of Karratha. These decisions might be about things like the provision of footpaths, control of animals, refuse collection, cultural events, planning matters, recreation facilities and control of environmental health issues. The City of Karratha strives to achieve a balanced and fair approach to decision making to protect and develop the amenities of the City of Karratha, preserve heritage, encourage economic growth, and provide clarity to residents and businesses in the area.

Public participation in the decision making process

City of Karratha recognises that the community is an important resource when informing decision making, and that community input is essential to assist the City in choosing a path that caters for the current and future needs and expectations of the community.

Council Meetings

Decisions are made by Council at regular Council meetings which are held on the third Monday of each month, and are held in Council Chambers at the City of Karratha Administration Building on Welcome Road, Karratha or at a town site within the district. Members of the public are welcome to attend Council Meetings. A complete list of Council Meeting dates for the year are available on the City of Karratha website at <http://karratha.wa.gov.au/council-meeting-dates>.

On occasions there may be a Special Meeting of Council if a matter of particular urgency arises. Any notice of Special Meeting or changes to the time, dates or venues for scheduled Council Meetings is publicly advertised.

Public Question Time

To assist members of the public to participate in the decision making process of the City, Public Question Time is available for a period of 15 minutes at the commencement of each meeting. Members of the public with questions are asked to write down their question with their name and address, and to read their question aloud. The question does not need to be on a City form. It can be in the form of a letter or note, as long as it legibly shows your question and contact details. The questions are to be received by the Presiding Officer of the City.

The question will either be responded to, taken on notice or not accepted by the Presiding Officer, usually the Mayor. If a question is taken on notice then it will be recorded and a written response provided to the questioner by the CEO as soon as possible, and a copy of the response included in the agenda of the next meeting of the Council.

If possible, please email your question through to enquiries@karratha.wa.gov.au before the meeting. Your question may not be answered if you do not attend the Council Meeting.

Deputations

Should a group of people wish to engage or make a formal representation to Council on behalf of a larger group in relation to an item contained in the Council agenda, they may apply in writing to the CEO. The CEO will send the written request to the Mayor, who may then either approve the request or refer it to Council for a decision on whether or not to receive the deputation. If approved, the CEO will invite the deputation to attend a Council Meeting. Questions and requests for deputations should be marked for the attention of the Chief Executive Officer and may be faxed to 08 9185 1626, or posted to PO Box 219, Karratha, WA 6714, or hand-delivered to the reception of City of Karratha Administration Building, Lot 1083 Welcome Road, Karratha, WA 6714, or emailed to enquiries@karratha.wa.gov.au.

Annual General Meeting of Electors

The Annual General Meeting of Electors is held to discuss the Annual Report of the financial auditors for the City, and discuss general business of the City. A formal Notice of Meeting is advertised in advance of the date of the meeting. The meeting tends to be held in November or December each year.

Special Meetings of Electors

In accordance with Section 5.28 of the Local Government Act 1995, a Special Meeting of Electors may be held following a request made to the Mayor for such a meeting by

- not less than one hundred electors or 5% of the number of electors, whichever is the lesser; or
- one third of the number of council members.

Any request of this nature is to specify the matters to be discussed at the Meeting and the form or content of the request is to be in accordance with the requirements of the *Local Government (Administration) Regulations 1996*.

Petitions

Electors may put requests to Council by way of a petition. For a petition to be effective it needs to be addressed to the Mayor and made by registered electors of the City of Karratha. The petition needs to state the request on each page of the petition and contain the names, addresses and signatures of each elector making the request, as well as the date on which each elector signed the request. It also needs to contain a summary of the reasons for the request and state the name and address of the person who is putting forward the petition. Further details regarding the requirements for petitions can be found in the *Local Government Act 1995* and the *Local Government (Constitution) Regulations 1996*.

Community Consultation and Participation

The City of Karratha regularly invites the community to contribute their opinion and expertise on Council projects, plans, local laws and strategy. There are a range of tools that the City uses to engage with the public, including an annual Community Survey. The methods used vary according to the requirements of each consultation process, and some processes need to meet legislative requirements. Opportunities for input into decisions and processes of Council are advertised according to their needs on some or all of the following:

- the City's website, for example at <http://karratha.wa.gov.au/public-notifications>;
- on noticeboard in Reception of the Administration Building on Welcome Road;
- on noticeboards in the libraries throughout the City;
- on the City's Facebook page;

- Tenderlink;
- in the Pilbara News; and
- in the West Australian.

Library opening hours are available on the City website at <http://www.karratha.wa.gov.au/libraries>.

FOI Procedures

It is the aim of the City of Karratha to make information available promptly and at the least cost possible. Therefore, wherever appropriate and lawful, documents will be provided outside of the FOI process. Where information is not freely available through one of the methods available outside of FOI, the FOI Act provides the right to apply for access to information held by, or believed to be held by, the City of Karratha.

What kind of information can I request?

The kinds of documents to which you may request access includes paper files, computer records, maps, plans, photographs, tape recordings, films, video tapes and electronically stored information.

You may also apply for access to personal information about you that is contained in agency documents and you can correct that information if it is incorrect, inaccurate, out of date, or misleading. Personal information is information about you whilst non-personal information is information concerning other people.

Documents which protect essential public interests, personal information about other people or the commercial or business affairs of others are among those documents which may not be released. An

edited copy of a document may be provided to you if it contains some information considered to be exempt under the FOI Act.

How do I make an FOI application?

- Apply in writing. No special forms are required – a letter or email will suffice regardless of whether you seek access to information or simply wish to update or amend your personal information.
- Identify or describe the documents concerned, providing enough information to facilitate the identification of the documents you seek.
- If you apply for amendment of personal information about yourself, you must provide details to show how or why the agency's records are inaccurate, incomplete, out of date or misleading.
- Ideally your request should be concise to narrow the field of search. Costs may apply for applications with a wide scope or requiring a high level of research.
- Give an address in Australia where notices can be sent and, if possible include a contact telephone number or email address so the Agency can liaise with on your application.
- Send your written application or related enquiries to the Freedom of Information Coordinator, PO Box 219, Karratha, WA 6714 or to enquiries@karratha.wa.gov.au.
- Applications will be acknowledged in writing and you will be notified of the decision within 45 days.

Are there any costs involved?

No fees or charges apply for personal information or amendment of personal information about yourself. Applications for other documents (i.e. which are non-personal in nature) require a \$30 application fee to be paid when the application is lodged. There may be other charges imposed to cover the administration costs associated with locating documents within the scope of your request.

You can ask the City for an estimate of charges when lodging an application. If the charges are likely to exceed \$25 the agency must give you an estimate of charges and ask whether you want to proceed with the application. You must notify the City (within 30 days) of your intention to proceed. In some instances the City may request an advance deposit. The fees, charges, deposits, and possible reductions are set by the FOI Act and are as follows:

Personal Information about the applicant	No fee and no charges
Application fee (for non-personal information)	\$30.00
Charge for time dealing with the application (per hour or pro rata)	\$30.00
Access time supervised by staff (per hour or pro rata)	\$30.00
Photocopying staff time (per hour or pro rata)	\$30.00
Per photocopy	\$0.20c
Transcribing from tape, film or computer (per hour or pro rata)	\$30.00
Duplicating a tape, film or computer information	Actual cost
Advance deposit that may be required in respect of estimated charges	25%
Further advance deposit may be required to meet the charges for dealing with the application	75%
For impecunious the charge payable is reduced by	25%
For those issued with prescribed pensioner concession cards, the charge payable is reduced by	25%

In what way can I minimise or remove the need for charges?

The FOI Act requires the City to help you with your application if you are having difficulty defining the documents you are seeking. The City may describe the kinds of documents and records kept to help you narrow the scope of your application. By reducing the scope of your application it will reduce the work for the City and the cost to you. The City may refuse to deal with a large request.

What happens after I have lodged my application?

Once the City has received a valid application from you, it has a maximum period of 45 calendar days to deal with your access application and to decide whether you can have access to the documents. If the period is not sufficient for research to be carried out and a decision subsequently provided, the Applicant will be informed and a negotiated time will be determined.

What if I need the documents urgently?

In the event that you require a decision on your application by a certain time, you should include this information in your written FOI application, or approach the City about the desired timeframe after your application has been submitted. You may be able to negotiate a shorter (or longer, as the case may be) period for response with the City.

How will I know when the City's decision has been made and what it is?

The City must provide you with a written Notice of Decision informing you whether you will be provided with access to all or some of the documents you have requested. The Notice of Decision will include details such as:

- the date on which the decision was made;
- the name and the designation of the officer who made the decision;
- if access is refused, the reason for the refusal or where the document is exempt; and
- information on the rights of review and the procedures to be followed to exercise those rights.

The Notice of Decision will be provided as soon as possible, but in any case within 45 days. If the City refuses you access to any documents or parts of any documents, the written notice must provide you with the reasons for the decision. It must also explain your rights of review.

What if I am unhappy with the City's decision?

Internal Review

If you are dissatisfied with the City's decision you are entitled to request an internal review by the City. You have 30 days from the date of receipt of the Notice of Decision to make an application for internal review. Such a request needs to be in writing to the FOI Coordinator for the City, and should identify the part of the decision that you disagree with, as well as the reason that you are dissatisfied with it. The City then has 15 calendar days to conduct a review and notify you of the outcome. Another person in the City, who is not subordinate to the original decision-maker must make the decision on internal review. If the decision was made by the Chief Executive Officer an internal review is not available, but you can apply to the Information Commissioner for an external review.

External Review

If you disagree with the outcome of the internal review you may request the Information Commissioner for an external review. An application for external review should be made within 60 days of receiving the City's notice of internal review decision. Third parties who object to disclosure of their information must apply for external review within 30 days after being given the City's decision.

The application for external review can be made in a letter or you can complete a form available from the Office of the Information Commissioner at <http://foi.wa.gov.au/en-us/AppforExtRev>.

You must give an address to which notices can be sent, give particulars of the decision you want reviewed, include a copy of that decision and lodge the application at the Office of the Information Commissioner.

The Information Commissioner is appointed by the Governor as an independent statutory officer who is responsible directly to Parliament. Therefore complaints lodged with the Information Commissioner are subject to impartial review based on the merits of each case and the relevant provisions of the FOI Act.
