

## City of Karratha - Karratha Ward - Councillor

### LEVISSIANOS, George

My wife and I have called Karratha home for over 20 years, we have watched our children grow up here and now our grandchildren.

Nearly all of us have been affected in one way or another by the fallout of the resource cutbacks, and watched many of our friends and relatives forced out of their homes.

Our family business Retravision has always believed in giving to the community and will continue to do so as we move into the future and the community recovers.

I am humbly asking for your support into Council with these commitments.

Integrity, honesty, wisdom and to put our local families and children first.

Our community needs to be safe and prosperous and our City supportive of small business, local stake holders and promote local tourism operators.

God bless.
