

City of Karratha - Karratha Ward - Councillor

BURGESS, Geraldine

For seven years I have lived and worked in Karratha. I will promote community events that rekindle the community spirit that Karratha and Pilbara are famous for. Over twenty years, I remember when times were good and communities were strong. The local business sector, the sporting clubs and community groups have suffered in recent years, they need more local government engagement. Our tourism industry needs support and development from within; local people are the best people to sell what we have. As your local representative I will listen to you, discuss your issues, give a commitment to ensure your voice is heard in the meeting rooms of the City of Karratha. Communities should be measured by the strength of their people not their buildings. If you would like to discuss your ideas with me, please call me.
