

City of Karratha - Karratha Ward - Councillor

MILLER, Pablo

I'm proud to call Karratha home.

And it would be an honor to represent you if elected. My wife, baby daughter and I have wholeheartedly embraced the Pilbara community these last 5 years and I wish to contribute more.

As a small business owner and working in the media within Karratha I have interacted with many of you, shared your concerns, cheered your victories and embraced your challenges. I'm particularly interested in expanding opportunities for young people and families, growing local cultural tourism, supporting local business, prioritizing local jobs, community engagement and better access to regional flights within WA.

If elected I will listen to you and be a strong advocate for our community.
