

Lock it or Lose it!

Don't give thieves an easy ride

Motorbike security tips

- ✓ Use security devices on your motorbike even when securely stored or being transported
- ✓ Use combinations of locks, chains and anchors
- ✓ Remove keys from the ignition when not in use
- ✓ Store keys in a secure location and out of sight
- ✓ Cover your motorbike up
- ✓ Install an alarm or immobiliser
- ✓ Remove parts to prevent the engine starting
