

## City of Karratha - Karratha Ward - Councillor

### OTTO, Stuart

The Otto family have seven children and have lived in the Pilbara for 35 years.

I came here to work construction, Woodside trains one-three and inbetween worked for Coles, drove trucks, and started a landscaping business.

The landscaping business employed six people and also another business manufacturing Ice.

My first involvement with Community was supporting our children,s sporting pursuits.

I became an executive member of Skill Share, work for the unemployment benefit group and freely gave of my time helping others learning landscaping skills.

My Children growing allowed me more time to became a foundation member of the Karratha Community Association, as president for five years.

The KCA supported the development of the Karratha Community Garden, I am the current President.

As a lay member of my Church I volunteer in other charitable pursuits.

My strong feelings of Family and Community are what drive me to serve.
