

PACKING YOUR EMERGENCY KIT

Pack an emergency kit using a waterproof container and include the following:

- ☐ A waterproof bag containing important documents such as birth certificates, passports, ID, insurance documents and prescriptions
- ☐ Portable battery-operated AM/FM radio
- ☐ Waterproof torch
- ☐ New, spare batteries
- ☐ First aid kit with manual
- ☐ Medication, toiletries and sanitary supplies
- ☐ Special requirements for infants, elderly, injured or disabled people
- ☐ Mobile phone and charger
- ☐ Cash and bank cards
- ☐ Emergency contact numbers
- ☐ Spare house and car keys
- ☐ Combination pocketknife
- ☐ Drinking water
- ☐ Canned food – enough for 3 days
- ☐ A can opener, cooking gear and eating utensils
- ☐ Water container for storing of washing and cooking water

Have your EMERGENCY PLAN in place and know where your nearest evacuation centre is.

DON'T FORGET to include the family pet/s in your plan.
