

Town Planning Scheme No.8
Amendment 36
Schedule of Submissions

No.	Date Received	Name	Address	Summary of Comments Made	Council Recommendation
1.	25/09/2014	Pilbara Development Commission	PO Box 51 WEST PERTH WA 6872	Supports the proposed amendment. The expansion of the existing facilities at Toxfree will help support and grow an existing important facility and help ensure that the market for waste treatment is captured locally in Karratha, providing economic growth and diversification.	Noted.
2.	17/10/2014	Water Corporation	PO Box 100 Leederville WA 6902	<p>The Lot is currently served with a 40mm water service directly off the Millstream Supply Main, under a Special Service Agreement.</p> <p>In extending the toxic nature of the land use the current report does not ascertain the impact on accidental water quality backflows into the water service and water main. Explosion risk in relation to the water main should be addressed.</p> <p>These issues can be addressed by the developer as a part of the environmental approval process with information being provided to Water Corporation or the Special Service Agreement can be revised.</p> <p>The proponent is currently in dialogue with Water Corporation concerning the Special Service</p>	Noted.
