

ORDINARY COUNCIL MEETING

MINUTES

The Ordinary Meeting of Council will be held in the Council Chambers, Welcome Road, Karratha, on Monday, 26 October 2015

PHILLIP TRESTRAIL ACTING CHIEF EXECUTIVE OFFICER

No responsibility whatsoever is implied or accepted by the City of Karratha for any act, omission or statement or intimation occurring during Council or Committee Meetings. The City of Karratha disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or Committee Meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee Meeting does so at that persons or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a license, any statement or intimation of approval made by any member or Officer of the City of Karratha during the course of any meeting is not intended to be and is not taken as notice of approval from the City of Karratha.

The City of Karratha warns that anyone who has any application lodged with the City of Karratha must obtain and should only rely on

WRITTEN CONFIRMATION

of the outcome of the application, and any conditions attaching to the decision made by the City of Karratha in respect of the application.

Signed:

Phillip Trestrail - Acting Chief Executive Officer

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE) (updated 13 March 2000)

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

- A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect
 the Councillor or a person closely associated with the Councillor and is capable of being measure in money terms.
 There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the
 situation is very clear.
- 2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
- 3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
- 4. If in doubt declare.
- 5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it <u>MUST</u> be given when the matter arises in the Agenda, and immediately before the matter is discussed.
- 6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The <u>only</u> exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the *Local Government Act*; or
 - 6.2 Where the Minister allows the Councillor to participate under s5.69 (3) of the *Local Government Act*, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

DEFINITION: An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY CLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

MINUTES

1 OFFICIAL OPENING

The Ordinary Meeting of Council held in the Council Chambers, Welcome Road, Karratha on Monday, 26 October 2015 was declared open at 6:35 pm. Cr Long acknowledged the traditions of the Ngarluma people, on whose land we are gathered here today.

2 PUBLIC QUESTION TIME

- Q. Raised by public attendee Dani Hage:
- 1. During the first stages of PUPP when connecting electricity to houses, any upgrades to the main power boards and earths were replaced and paid for by Horizon Power.
 - It would seem that now this is not the case. Many, including myself, are again further out of pocket due to the PUPP program. My total bill now for PUPP is getting closer to the \$5,000 mark, given interest repayments and electrician bills, and apparently my house was a better one of the many. I also had under a week to arrange and pay to have the repairs done in time for the contractors to connect my power.
 - a) Was the Council aware of the additional costs to the ratepayers?
 - b) Why is it ok for half of the ratepayers not to pay and now the other half are left to foot the bill?
 - c) This is not mentioned as an original cost blow out in any of the audit material.
- A. Phillip Trestrail, Acting Chief Executive Officer advised the City would follow up with Horizon Power and report back to Ms Hage and the Council.
- 2. Given that the new Chairman of Horizon Power has announced that the project would more than likely come under budget, can the ratepayers expect a refund once completion of the project has occurred?
- A. The Acting Chief Executive Officer advised that under the *Local Government Act*, if Council receives more money than it requires from the service charge it is required to make a refund or allow a credit of an amount proportionate to the contributions received.
- 3. When will PUPP be finishing all the underground service work that they started in front of the property Lot 3873 Pemberton Way LIA, this very unsightly and it is needed to complete new crossovers as with all the gravel spewing onto the entrance it undermined the crossover.
- A. The Acting Chief Executive Officer advised this is a matter for Horizon Power.
- 4. What is the City's policy on giving out resident's personal information to third parties. A KCRRA member has received an email from a third party advising they were given permission to use their email from the City?
- A. The Acting Chief Executive Officer advised that under the *Local Government Act*, the public can access a rate record which may include an email address.
- 5. Will the Council consider a publicly elected Mayor?
- A. The Mayor advised this is a matter for Council to determine if so desired.

- 6. Will the Council consider going back to recording the meetings? Port Hedland does this already. Recent material received by the association regarding Petition#56 Question 10 has been sent back with incorrect information regarding voting. Had this meeting been recorded, there would not be any dispute.
- A. The Mayor advised that this is a matter for Council to determine if so desired.
- 7. Will the Council investigate the amount of feral cats and dingoes surrounding the LIA and Gap Ridge (near the tip)?
 - Can we step up the eradication program? There are numerous dingoes and feral cats straying into the yard where I work.
- A. David Pentz, Director Development Services advised that this matter will be investigated to determine the nature and extent of the problem. Once determined, appropriate and targeted action will be taken.

Q. Raised by public attendee Deborah Napier:

As you are aware I have sent you all an email - do they have handicap access and how are they situated with insurance? Home businesses do not fit into the dynamic of the town. Shop front businesses are now on the brink of closing and going broke.

A. The Director Development Services advised that home-based businesses are a significant contributor to the local economy and that the City has actively sought to provide for and encourage small business, services and professions, including home-based businesses. However the City has a role to protect the amenity, character and safety of the residential neighbourhoods and apply this in practice via the Home Occupations Policy. It must be noted that it is not in the remit of local government to intervene from a competitive market perspective. If Council were to intervene from such a perspective, the City would likely find itself in breach of the principles of the National Competition Policy. Due to the provisions of this Policy, the City cannot preclude, frustrate or limit business solely due to other fixed businesses being in place. With regards to disabled / wheelchair access, provided the resident / operator / tenant has not changed the predominant residential use of the premises, then there is no requirement for them to comply with the *Disability Discrimination Act* legislation.

PURPOSE

To provide a summary of Council's financial position for the period ending 31st August 2015.

BACKGROUND

The following table is a summary of the Financial Activity Statement Report compared to the Budget as at 31st August 2015:

| 2015-2016 | Original Budget | Amended Budget | Year to Date Budget | Year To Date Actual | YTD Variance | Impact on Surplus |
|--------------------------------------|--------------------|-------------------|------------------------|------------------------|--------------|----------------------|
| Operating Revenue (incl. Rates) | 123,816,770 | 122,503,061 | 57,216,314 | 57,517,616 | 301,302 | 1 |
| Operating Expense | (81,653,530) | (83,218,262) | (10,374,117) | (8,295,746) | 2,078,371 | 1 |
| Non Operating Rev | 28,073,997 | 31,517,700 | 1,125,000 | 7,985,585 | 6,860,585 | 1 |
| Non Operating Exp | (86,916,716) | (87,452,694) | (14,661,560) | (6,166,964) | 8,494,596 | 1 |
| Non Cash Items Included | 11,107,814 | 11,107,814 | (8,638) | (1,078,772) | (1,070,134) | 1 |
| Unrestricted Surplus BFWD 14/15 | 1,434,330 | 1,434,330 | 1,434,330 | 1,434,330 | 0 | |
| Restricted Balance BFWD 14/15 - PUPP | 12,499,009 | 12,499,009 | 12,499,009 | 12,499,009 | 0 | |
| Restricted Balance - PUPP | 8,332,673 | 8,332,673 | 8,332,673 | 8,332,673 | 0 | |
| Surplus/(Deficit) 15/16 | 29,001 | 58,285 | 38,897,665 | 55,562,384 | 16,664,719 | 1 |

The restricted balance referred to in the preceding table and throughout this report comprises PUPP service charges levied in 2014/15 and pending payment as at 30 June 2015 (either by instalment options or outstanding).

The 2014/15 comparatives included throughout this report have not yet been finalised and remain subject to final year-end adjustments and audit. This report reflects the position at the time of reporting.

This table shows that Council is currently in an unrestricted surplus position of \$55.6m, a variance of \$16.7m above the budgeted year to date surplus position of \$38.9m. This significant unrestricted surplus position is primarily due to transfers to and from reserve, timing differences in operating and capital revenue and expenditure as well as timing differences in invoices being received.

The following variances (greater than \$250K) contribute significantly to the total YTD variance shown in the above table:

| perating Rev | en | ue |

| Net Assets | 871,704,354 | 825,831,006 | |

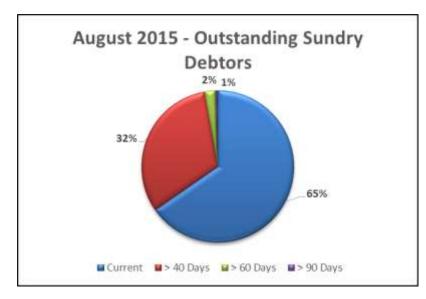

Total Current Assets have increased by 36.43% from July to August due to the raising of new debtors invoices and levying of 2015/16 rates. Current Liabilities have decreased by 11.85% from July to August due to a decrease in supplier invoices payable relating to capital project progress claims paid in August. Non-Current Assets have increased by 0.68% due to the capitalisation of assets. Non-Current Liabilities remain unchanged from July.

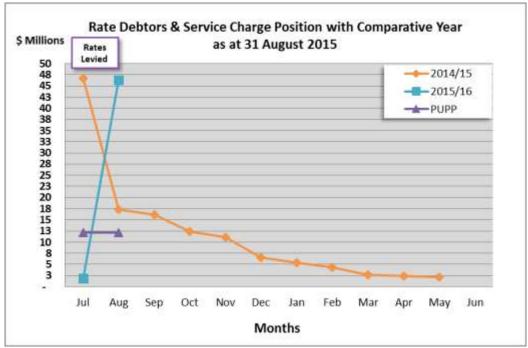

Debtors Schedule

The following table shows Trade Debtors which have been outstanding over 40, 60 and 90 days at the end of July. This also includes total Rates and Pilbara Underground Power (PUPP) Service Charges outstanding.

| Total | 12,161,701 | 12,130,895 | 0% | 100% | |

The balance of outstanding rates has increased due to levying of annual rates in August. The balance of outstanding PUPP charges has increased from July 2015 due to raising of an account credit. PUPP payments have been made on 96.9% of properties, with 73.9% paid in full and 26.1% paying by instalments.

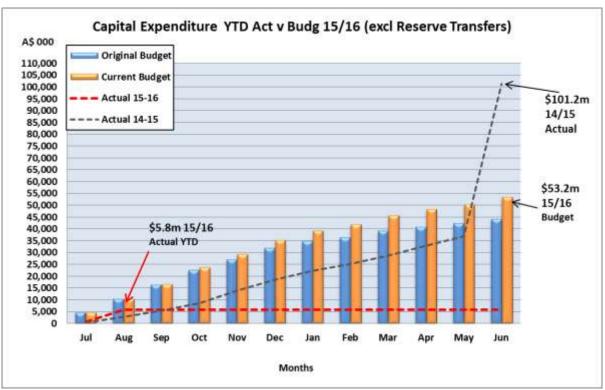

Total Trade Debtors have increased by 27% or \$2.2M, primarily due to a timing difference relating to payment of a contribution to construction of the Dampier Community Hub received in September. Stringent debt collection on outstanding debts greater than 40 Days continued in line with Council policy. The following table shows outstanding balances for each ageing period for balances in excess of \$5,000.

Capital Expenditure

Significant capitalisation of assets occurred at the end of the 2014/15 financial year. These related to the recognition of gifted assets associated with the Wickham South, Baynton West and Nickol West developments as well as the transfer of control of road network assets from Main Roads, including Dampier Highway and Dewitt Road.

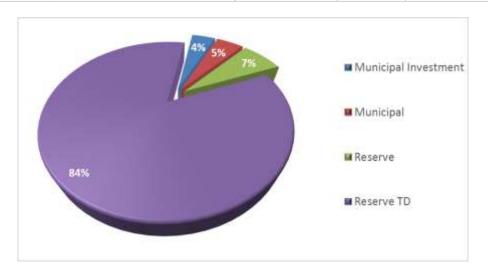

The Council's 2015/16 Capital Expenditure budget is \$53.2 million, the majority of which is associated with major projects including Dampier Community Hub, Karratha Airport terminal upgrade and infrastructure improvements. The following table shows that Council is currently 43% below budget in capital expenditure year to date.

The Reserve Bank cash rate (overnight money market interest rate) remained unchanged at 2% during August. The Municipal funds held with Westpac Bank continue to earn 1.51% interest on balances between \$1,000,000 and \$5,000,000 in the everyday account and 1.85% on the Maxi-Direct Muni Account to maximise interest earnings. There were no investment maturities during the month of August.

The liquidity graph for 2015/16 demonstrates a decrease in liquidity from July. This reduction is due to payment of high value creditor invoices, some which were related to Council's capital projects.

The financial statements for the reporting period are provided as an attachment in the form of:

LEVEL OF SIGNIFICANCE

Financial integrity is essential to the operational viability of the Council but also as the custodian of community assets and service provision. An ability to monitor and report on financial operations, activities and capital projects is imperative to ensure that financial risk is managed at acceptable levels of comfort.

The ability for the City of Karratha to remain financially sustainable is a significant strategy for a region that is continually under pressure from the resources industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services.

COUNCILLOR/OFFICER CONSULTATION

Executives and Management have been involved in monthly reviews of their operational and departmental budgets and notifying the Financial Services team of trends and variances arising from their operational areas.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

In accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, a Statement of Financial Activity is required to be presented to Council as a minimum requirement.

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34 (5), a report must be compiled on variances greater than the materiality threshold adopted by Council of \$50,000 or 10% whichever is the greater. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

POLICY IMPLICATIONS

The Council's financial reporting is prepared in accordance with Accounting Policy CF1. This is reviewed periodically to ensure compliance with legislative and statutory obligations.

FINANCIAL IMPLICATIONS

The report represents the financial position of the Council at the end of August 2015 with a current full year surplus budget position of \$8,390,958 (comprising \$58,285 unrestricted surplus and \$8,332,673 restricted surplus) and actual surplus position of \$63,895,057 (comprising \$55,562,384 unrestricted surplus and \$8,332,673 restricted surplus). The

restricted balance comprises PUPP service charges levied in 2014/15 and pending payment as at 30 June 2015 (either by instalment options or outstanding). The unrestricted surplus year to date reported of \$55,562,384 is largely due to transfers to and from reserve as well as timing differences relating to significant infrastructure projects and their related funding.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2015-2016 provided for this activity:

Our Program: 4.d.1.3 Provide transparent and accountable financial information

required by the Local Government Act, Code of Accounting Practice, Australian Accounting Standards and Local

Government Regulations

Our Services: 4.d.1.3.1 Prepare the Financial Statements and Reports to Council.

RISK MANAGEMENT CONSIDERATIONS

Astute financial management backed by strong internal controls, policies and monitoring will ensure risks are assessed regularly and managed appropriately. Expenditure and revenue streams are monitored against approved budgets by management and the financial team with material variances being reported. It is incumbent on all managers that any perceived extraordinary variances that have, or likely to have, occurred are escalated immediately for consideration by Executive and/or Council.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

This is a routine process alerting Council of the current financial position of the City of Karratha.

10.2 LIST OF ACCOUNTS SEPTEMBER 2015

File No: FM.19

Responsible Executive Officer: Director Corporate Services

Reporting Author: Senior Creditors Officer

Date of Report: 29 September 2015

Applicant/Proponent: Nil

Disclosure of Interest: Nil

Attachment(s) Nil

PURPOSE

To advise Council of payments made since the previous Ordinary Council Meeting.

BACKGROUND

Council has given delegated authority that allows the Chief Executive Officer to approve payments from Council's bank accounts either via cheque or through electronic lodgement.

LEVEL OF SIGNIFICANCE

The level of significance for this matter is very high in ensuring trade creditors are compensated for services they provide to the City. These services enable the City to meet the needs and expectations of the community.

COUNCILLOR/OFFICER CONSULTATION

Officers have been involved in the approvals of any requisitions, purchase orders, invoicing and reconciliation matters.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

Payments are to be made in accordance with Part 6, Division 4 of the *Local Government Act* 1995 and as per the *Local Government (Financial Management) Regulations* 1996. Payments are to be made through the municipal fund, trust fund or reserve funds. Payments are to be in accordance with approved systems as authorised by the CEO.

POLICY IMPLICATIONS

Staff are required to ensure that they comply under Council Policy CF6 – Purchasing Policy and CF5 - Regional Price Preference Policy (where applicable) and that budget provision is available for any expenditure commitments.

FINANCIAL IMPLICATIONS

Payments are made under delegated authority and are within defined and approved budgets. Payment is made within agreed trade terms and in a timely manner.

Consistent with CF-5 Regional Price Preference Policy 46% of external payments reported for the period 1 September 2015 to 28 September 2015 were made locally.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2015-2016 provided for this activity:

Our Program: 4.d.1.5 Ensure financial accountability

Our Services: 4.d.1.5.2 Ensure value for money in procurement

RISK MANAGEMENT CONSIDERATIONS

Having good terms of trade will reduce the risk of penalties, loss of quality services and contractors, and dissatisfaction amongst the community.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

There are no relevant precedents related to this matter.

VOTING REQUIREMENTS

Simple Majority

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Sections 6.7 and 6.9 of the *Local Government Act 1995* RESOLVES to ACCEPT payments totalling \$______ submitted and checked with vouchers, being made up of:

- a) Trust Vouchers: 269 to 270;
- b) EFT37192 to EFT37799 (Inclusive);
- c) Cheque Vouchers 78041 to 78055 (Inclusive);
- d) Cancelled Cheques: 269, EFT36843, EFT37284, EFT37309, EFT37310, EFT37342, EFT37349, EFT37370, EFT37400, EFT37470, EFT37553, EFT37751, 77913, 77988, 78046, DD23857.1;
- e) Direct Debits: DD23738.1 to DD23963.42;
- f) Payroll Cheques \$1,699,900.26; and
- g) with the EXCEPTION OF __(as listed)___

CONCLUSION

It has been a customary practice that whilst being a leader in the community, we meet our terms of credit as established between suppliers and aspire to obtain discounts where practicable. Payments have been approved by authorised officers in accordance with agreed delegations and policy frameworks.

10.3 AMENDMENTS TO PURCHASING POLICY AND DELEGATIONS

File No: FM.1

Responsible Executive Officer: Director Corporate Services

Reporting Author: Manager Governance and Organisational Strategy

Date of Report: 7 October 2015

Applicant/Proponent: Nil

Disclosure of Interest: Nil

Attachment(s) 1. CG – 12 Purchasing Policy

2. Delegation 15 - Disposal of Property

3. Delegation 13 – Awarding Tenders

PURPOSE

To consider the implications of recent amendments to the *Local Government (Functions and General) Regulations 1996* on the CG-12 Purchasing Policy and Delegation 15 – Disposal of Property. Additionally to consider proposed amendments to Delegation 13 – Awarding Tenders to clarify the effect and intent of the delegation.

BACKGROUND

On 1 October 2015 a number of amendments to the *Local Government (Functions and General) Regulations 1996* [F&G Regs] came into effect. The relevant legislative amendments and the consequential amendments proposed to CG-12 Purchasing Policy (attached) are outlined below:

- Purchases in excess of \$150,000 are required to go through a public tender process (F&G Reg 11(1)). The tender threshold was previously \$100,000. For the purchase of goods and services under the threshold, there is a requirement for the purchasing policy to include the minimum number of oral and written quotes that must be received;
- Additional tender exempt organisations have been included for purchases up to the value of \$250,000 (Aboriginal Business Directory WA, Australian Disability Enterprises, Pre-Qualified Supplier Panels) (F&G Reg 11(2));
- The tender anti-avoidance provision has been clarified and strengthened to ensure that contracts are not split for the purposes of avoiding the tender threshold (F&G Reg 12). It is expected that if a local government reasonably believes that the purchase of a good or service from one supplier will exceed the tender threshold of \$150,000 they should publically invite tenders. No timeframe for the tender threshold has been included in the regulations. However, it is common practice that if the tender threshold is likely to be reached within three years, then a public tender is invited for that good or service;
- a contract cannot be varied once a local government has entered into a contract for the supply of goods or services unless:
 - the variation is necessary in order for the goods or services to be supplied and does not change the scope of the contract, or
 - the variation is a renewal or extension of the original term of the contract (F&G Reg 11(2) (j) and 21A).
- Part 4 Division 3 has been inserted into the regulations to introduce the ability for local governments to create a panel of pre-qualified suppliers.

Delegation 15 – Disposal of Property (attached) also requires an amendment to align with the new wording of F&G Reg 30(3) (b) that enables exemption from advertising if disposal proceeds used to acquire a replacement asset is \$75,000 or less.

Additionally, Delegation 13 – Awarding Tenders (attached) requires an amendment, not due to the changes to the regulations, but to clarify that the CEO has the power to both reject and accept tenders.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required. Staff have been made aware of legislative changes but are limited in their ability work outside of existing policies until these policies are reviewed to align with legislation.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

Amendments are to align with changes effected within the *Local Government (Functions and General) Regulations 1996.*

POLICY IMPLICATIONS

CG-12 Purchasing Policy is the main policy impacted by legislative change. This is subject to Council's consideration.

FINANCIAL IMPLICATIONS

There are no financial implications.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2015-2016 provided for this activity:

Our Program: 4.c.2.3 Develop and/or review Council policies, procedures

and processes

Our Services: 4.c.2.3.6 Review procurement and disposal functions across

the organisation

RISK MANAGEMENT CONSIDERATIONS

The level of risk is considered to be Moderate to the City in terms of Financial and Compliance considerations.

IMPACT ON CAPACITY

The changes implemented will have a flow on effect to other internal documents, guidelines, processes, forms and training packages that will require updating for staff to utilise.

RELEVANT PRECEDENTS

Policies are regularly updated to ensure that they remain current and effective for the organisation's use. This policy was reviewed last in April 2015.

VOTING REQUIREMENTS

In determining appointments to each of the internal groups listed, consideration should be given as to:

- (a) Whether the committee is still relevant this is not an option when it is required to exist by statute (i.e. Audit & Organisational Risk Committee);
- (b) The number of elected representatives that should sit as voting members;
- (c) The number of deputy representatives (or proxies) that should sit in case a member is unable to attend.

Other matters such as terms of reference (attached), including frequency of meetings, should be discussed at the next meeting of these groups.

In the event that more nominations are received than vacancies on each body, then an election will be necessary (by secret ballot) to fill the available vacancies.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy *CE-8 Significant Decision Making Policy*, this matter is considered to be of moderate significance in terms of parties affected issues and Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

Section 5.8 of the *Local Government Act 1995* provides that a local government may establish committees of 3 or more persons to assist the Council and to exercise the powers and discharge the duties of the local government that can be delegated to committees.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

There are no financial implications. Membership of Council committees, advisory groups and external organisations does not affect the fees paid by Council to elected members.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2015-2016 provided for this activity:

Our Program: 4.a.3.1 Provide civic leadership framework and support to the

community.

Our Services: 4.a.3.1.1 Provide civic leadership at civic functions, citizenships and

council meetings.

RISK MANAGEMENT CONSIDERATIONS

There are no specific risk management considerations applicable.

IMPACT ON CAPACITY

There is no additional impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Appointments to the internal and external bodies have previously been considered by the new Council following each Council election.

DELEGATED AUTHORITY

There are no delegated authorities relevant to this matter.

VOTING REQUIREMENTS

Absolute Majority.

OPTIONS:

Option 1

As per Officers recommendation.

Option 2

That Council by ABSOLUTE Majority pursuant to Section 5.8 of the *Local Government Act* 1995 RESOLVES to AMEND the Officers Recommendation by:

Attachment(s) 1. Suggested amended concept

2. Latest concept plan for extension of

Kookaburra Park

PURPOSE

For the Council to consider making a request to the Minister for Planning to spend \$441,000.00 cash-in-lieu of public open space that the City has received from Pindan on developing the Kookaburra Park extension in the Jingarri Estate.

BACKGROUND

The original Nickol West Development Plan was adopted at 20 March 2006 Ordinary Council Meeting (Resolution No: 13867). The latest version of the Nickol West Development Plan was adopted at 27 August 2013 OCM and endorsed by the Western Australian Planning Commission (WAPC) on 19 November 2013. In relation to public open space (POS), the adopted Development Plan shows the extension of Kookaburra Park as the only additional area of POS to be provided for the Jingarri Estate. All other POS has been developed. The adopted Development Plan document recommends that the reserve can accommodate a senior sized rectangle playing field. It also notes the then Shire's desire for a public art feature fronting Butcherbird Drive.

Four subdivision applications have been approved across the Jingarri Estate:

| City Ref | WAPC Ref | Description | Approval date |
|----------|----------|----------------------|---------------|
| P2527 | 144065 | 93 residential lots | 18/11/2011 |
| P2582 | 144516 | 10 residential lots | 18/11/2011 |
| P2656 | 144949 | 109 residential lots | 17/2/2012 |
| P2665 | 145041 | 17 residential lots | 20/2/2012 |

The WAPC decisions for WAPC Ref 144949 and WAPC Ref 145041 require an area of land at least ten percent of the gross subdivisible area to be shown on the Deposited Plan as a Reserve for Recreation.

The Deposited Plan that created the Kookaburra Park extension shows the Reserve for Recreation covering 1.2288ha. This area represents 5.1% of the 24.0852ha total (gross subdivisible) area. WAPC Policy DC 2.3 states that for residential subdivision, 10% of the gross subdivisible area shall be given up free of cost by the subdivider for POS purposes.

Section 153 of the *Planning and Development Act 2005* provides that, subject to approval by the local government and WAPC, cash payment can be made by a landowner to a local government in lieu of all or part of the POS contribution, with the cash-in-lieu sum representing the value of the portion of land to be given up. Advice Notes on the approval decisions for WAPC Ref 144949 and WAPC Ref 145041 convey the WAPC's approval of a cash-in-lieu contribution for the shortfall in POS provided.

The value of cash-in-lieu must be determined by the Valuer General's Office or a licensed valuer as a percentage of the market value of the en globo land from which the subdivision occurs. The valuation is determined at the time of the WAPC approval letter. On 4 October 2013, Pindan provided a valuation report by Australian Property Consultants to the then Shire of Roebourne that concluded the *en globo* value for Lot 517 at the time was \$9,000,000.00 (ex GST) and that the balance cash-in-lieu of POS contribution (4.9%) was \$441,000.00. The then Shire engaged Independent Valuers of Western Australia to review the APC valuation. The APC valuation was considered reasonable and recommended cash-in-lieu of POS contribution was considered acceptable.

Pindan was invoiced for \$441,000.00 on 5 November 2013 and payment was received on 20 December 2013 and deposited in Trust Account.

Clause 3.6.1 of WAPC Development Control Policy 2.3 does not require a developer to develop POS. Nonetheless, Pindan is committed to developing the extension of Kookaburra Park and has a set budget for this work. In this regard, Pindan provided the City with a concept plan for the Kookaburra Park extension in November 2013. The estimated cost of developing the Kookaburra Park extension in accordance with that concept plan was \$630,023.72 (ex GST).

In April 2015, following City review of Pindan's concept plan, the City provided Pindan with a suggested amended concept (Attachment 1). This plan, while retaining the soccer field, reduces the amount of turf and replaces it with mulched native gardens, which should reduce water use. The suggested amended concept also makes provision for a public art feature entrance fronting Butcherbird Drive and a car park and toilets/change rooms accessed off Kookaburra Parkway and central to the whole park area. The cost of delivering the City's suggested amended concept has not been estimated.

The City's suggested amended concept has been used as the basis for the latest concept plan submitted by Pindan (Attachment 2), although Pindan's latest concept plan is constrained by the budget Pindan has allocated to develop the park. The estimated cost of developing the park extension in accordance with Pindan's latest concept plan is \$591,408.11 (ex GST).

Pindan's budget for development of the park extension has been affected by its December 2014 decision to contribute \$500,000 (ex GST) toward the City's Effluent Reuse Scheme (ERS). Pindan's contribution towards the ERS includes a pro rata contribution towards the cost of tank and pumps for all parks in Nickol West. The benefit to Pindan in making this contribution is that it allows the park extension to be irrigated by the ERS, which will avoid scheme water headworks and greatly reduce service charges for Pindan for the 2 year maintenance period. The benefit to the City in having parks in Nickol irrigated by the ERS is that it will greatly reduce recurrent water supply costs for those parks.

Pindan can deliver the latest concept plan within its budget subject to approval being granted for its cash-in-lieu contribution to be used for that purpose. Pindan's latest plan and estimated costs for delivering a park in accordance with the latest concept plan can be used to support the City's request for the Minister to approve expenditure of cash-in-lieu on development of the park extension.

Development of the Kookaburra Park extension in accordance with Pindan's latest plan will deliver a useable and attractive park area for surrounding residents and the broader community. This space could be enhanced, however, by adding elements included in the City's ultimate concept plan such as a public art feature entrance and a car park and toilets/change rooms.

It is up to Council to decide whether it wishes to:

- 1. accept the latest Pindan concept plan as an initial development outcome, with the ability to add amenity and facilities in the future; or
- 2. obtain a cost estimate for delivering the added elements included in the City's ultimate concept plan, and subject to Council being comfortable with the cost of additional works, allocate additional funding to deliver a higher quality initial development outcome.

Whichever option is decided, the City will work with Pindan and its landscaping contractor to make sure the initial development plans align with and do not compromise longer term plans for Kookaburra Park.

The City is aiming to have the ERS completed by mid-2016. The City will work with Pindan to align development of the park expansion with water becoming available via the ERS. It is noted that there is already an established park in this location.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CE-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of delivering public parks in a responsible and sustainable way, working with developers and providing a high standard of community services.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place between Planning Services, Community Services and Infrastructure Services.

COMMUNITY CONSULTATION

Community consultation is to occur prior to commencing park expansion construction. This will provide an opportunity to show the community the park that will be developed and advise of the timeframe but also to discuss ideas for the public art feature entrance.

STATUTORY IMPLICATIONS

Section 154 of the *Planning and Development Act 2005* provides that cash-in-lieu funds received by the local government must be paid into a separate (trust) account. Under the *Local Government Financial Management Regulations 1996*, the account should clearly set out the purpose for which the money is held, the landholding from which it was obtained and the date on which it was paid to the local government.

POLICY IMPLICATIONS

As is stated above, Clause 3.6.1 of WAPC Development Control Policy 2.3 does not require a developer to develop POS.

According to WAPC Planning Bulletin No.21 (April, 1997) cash-in-lieu funds may, with the approval of the Minister for Planning, be used for the improvement or development as parks, recreation grounds or open spaces generally of any land in the said locality vested or administered by the local government for any of those purposes. Requests to the Minister for Planning for the expenditure of cash-in-lieu should be submitted to the WAPC and should be accompanied by a map and schedule showing:

- The location and WAPC reference number of the subdivision from which the funds were obtained:
- The dollar value of funds obtained from the subdivision;
- The location of the proposed reserve where the funds are proposed to be expended;
- The nature of the proposed expenditure;
- The program for the expenditure of the funds.

FINANCIAL IMPLICATIONS

Pindan will fully develop the Kookaburra Park expansion in accordance with the latest concept plan. If Council decides to add anything to the development plans, then this will require a Council decision to allocate additional funding. In this respect, it is recommended estimated costs be obtained for delivering the City's ultimate concept plan.

Upon Ministerial approval, the City will be able to allocate the cash-in-lieu funds to Pindan's development of the Park expansion. Funds would only be transferred once there is an agreement in place regarding development of the park.

Upon Ministerial approval to expenditure of cash-in-lieu, Pindan will also transfer \$500,000 (ex GST) to the City towards the ERS. Any agreement should also address this matter.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2015-2016 provided for this activity:

Our Program: 1.a.3.1 Provide open spaces which cater for the communities needs

Our Services: 1.a.3.1.2 Improve open space as per community needs

RISK MANAGEMENT CONSIDERATIONS

Pindan's agreement to contribute to the ERS is conditional on the \$441,000.00 cash-in-lieu funds being approved for expenditure on development of the Kookaburra Park extension. There should be no concern with a request to spend cash-in-lieu funds generated from Jingarri Estate on development of POS in Jingarri Estate.

The level of risk to the City is therefore considered to be Low in terms of gaining approval to expenditure of cash-in-lieu funds. It is envisaged that the recommended agreement would specify the timing and responsibilities for delivering the Kookaburra Park extension. This will of course be closely linked to the program for delivering the ERS.

IMPACT ON CAPACITY

Preparing agreement and managing and administering delivery of park extension.

RELEVANT PRECEDENTS

LandCorp has made a contribution towards the ERS and additional parkland in Baynton West will be developed upon water becoming available via the ERS.

VOTING REQUIREMENTS

Simple Majority

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to:

- 1. ADOPT the plan at Attachment 1 to this report as the ultimate concept plan for development of the Kookaburra Park expansion;
- 2. ADOPT the plan at Attachment 2 to this report as the plan for initial development of the Kookaburra Park expansion;
- 3. REQUEST the Minister for Planning's approval to expenditure of the \$441,000.00 cashin-lieu of Public Open Space contribution for the Jingarri Estate on development of the Kookaburra Park expansion;
- 4. FORWARD to the Western Australian Planning Commission for the Minister for Planning's approval, the plan at Attachment 2 and the associated estimated costs to support the request for approval to spend the \$441,000.00 Pindan cash-in-lieu contribution for the Jingarri Estate subdivision on development of the Kookaburra Park expansion; and
- 5. ENTER an agreement with Pindan regarding contribution towards the Effluent Reuse Scheme and development of the Kookaburra Park expansion.

CONCLUSION

It is appropriate to spend cash-in-lieu of public open space funds collected from the developer of Jingarri Estate on developing public open space in Jingarri Estate. Pindan is committed to delivering the Kookaburra Park extension and, in addition to a \$500,000 (ex GST) contribution towards the Effluent Reuse Scheme, is prepared to develop the park extension in accordance with the latest concept plan if expenditure of cash-in-lieu is approved for that purpose.

It is recommended that Council request the Minister for Planning grant approval to expenditure of the \$441,000.00 cash-in-lieu contribution for Jingarri Estate to be used to develop the Kookaburra Park extension in accordance with Pindan's latest concept plan for the park. It is also recommended that indicative costs be obtained for additional works shown on the City's ultimate concept plan for the park expansion (including public art feature entrance, car park and toilets/change rooms) to allow Council to determine whether it wants to fund any additional works as part of the initial development.

It is also recommended that Council authorise the CEO to negotiate arrangements with Pindan for delivery of the park, particularly if Council wishes to fund additional works at that stage, and that an agreement be entered between Pindan and the City to manage and administer the \$500,000.00 (ex GST) Pindan contribution towards the Effluent Reuse Scheme and development of the Kookaburra Park expansion.

13 STRATEGIC PROJECTS & INFRASTRUCTURE

13.1 KARRATHA BACK BEACH, NAVIGABLE CHANNEL, BOAT RAMP, JETTY AND CAR PARK REBUILD

File No: CP.815

Responsible Executive Officer: Director Strategic Projects & Infrastructure

Reporting Author: Manager Infrastructure

Date of Report: 30 September 2015

Applicant/Proponent: Nil

Disclosure of Interest: Nil

Attachment(s) 1. Proposed Channel alignment

2. Proposed Ramp alignment

PURPOSE

This report seeks Council's direction on progressing the redesign and construction of the existing boat ramp, jetty and car park at the Karratha Back Beach and informs the outcomes of the recently completed feasibility study on the proposed construction of a navigable channel.

BACKGROUND

The City of Karratha was successful in securing funding under the Recreational Boating Facilities Scheme (RBFS) Round 19 Planning Application and commissioned BMT JFA Consulting to investigate:

- 1. The feasibility of dredging a navigable channel from the ramp location to deep water;
- The design of the proposed channel alignment;
- 3. The redesign of the boat ramps to address the issue of tidal flooding across the staging area; and
- 4. Replacing the existing finger jetty with a floating jetty to accommodate the new boat ramp design.

On 27 January 2015 Council resolved to:

- Receive the Preliminary Dredging Feasibility Study;
- Proceed with Component 2 of the Karratha Back Beach Feasibility Study to confirm the Preliminary Dredging Feasibility Study and provide sufficient data to inform +/-10% accuracy of cost estimates, inform Environmental Impact Assessments and develop technical specifications (including all drawings) to construct the channel; and
- 3. Undertake further needs analysis to demonstrate the number of users impacted by the construction of a navigable channel.

On 16 February 2015 Council resolved to:

1. Note the scope of works proposed for the Karratha Back Beach Boat Ramp and Jetty upgrade as detailed in this report;

- 2. Endorse the funding application for the Karratha Back Beach Boat Ramp and Jetty Upgrade to the Recreational Boating Facilities Scheme (RBFS) Round 20 Works Funding Application; and
- 3. Consider a total of \$2,378,662 for this project with two thirds funding budgeted as externally sourced income from the Recreational Boating Facilities Scheme in their 2015/16 budget deliberations. The net cost to Council being \$878,662.

The proposed scope of works originally envisaged is provided as an attachment to this report.

On 1 May 2015 the City received advice that the works application lodged under Round 20 of the Recreational Boating Facilities Scheme had been successful.

Before proceeding to construction, additional information had been received which requires consideration, particularly:

Navigable Channel

On 1 September 2015 the City received a Siltation Report compiled by BMT JFA as part of Component 2 – "Detailed design and further investigation of proposed channel alignment". This report provides siltation rates within Nickol Bay, and indicates that, under ambient conditions, the siltation rates within the proposed channel alignment, are in the order of 10cm per month, thus the channel would require maintenance dredging every year.

BMT JFA have indicated the initial construction of the channel would require approximately \$2m with the actual dredging component representing \$1.2m of that sum. Therefore it is reasonable to expect annual dredging of the channel to be in the region of \$1.2m under ambient (normal) conditions.

As Nickol Bay is in Cyclone Region D Category 2 it is also prudent to anticipate cyclonic weather during the months of November – April annually. Depending on the severity and frequency of these storms it is possible the channel may require dredging after each event.

As a result of these findings and following discussions between Council Officers, it is recommended that the cost of dredging and maintaining the channel is prohibitive and as a result the construction of a navigable channel is not recommended to proceed.

Should Council support the recommendation to not proceed with the construction of the navigable channel this has impacts on the scope of works identified in the RBFS funding application as the detailed design of the boat ramp basin provides design levels that corresponded with a dredged channel.

If the Channel does not proceed, then the ramp basin will not need to be dredged to this level. Consequently, the ramps do not need to be shifted back towards the shore to allow sufficient room between the ramps and the groyne under the deeper basin scenario resulting in a reduction in the overall cost of construction.

Floating Pontoon Jetty

The scope of works identified in the RBFS funding application provides for the installation of a floating pontoon jetty. Council Officers have had discussions regarding the economic viability and maintenance costs of a floating pontoon system versus a stepped static finger jetty. Given the opportunity to revise the detailed design, it is also opportune to review the design of the jetty, based on the following:

- The design report compiled by BMT JFA advises that BMT JFA were unable to identify any floating jetty products designed or warranted for the wave heights expected at the site during cyclonic events;
- The cost of removing pontoons in the event of a cyclone is estimated to be in the vicinity of \$6,760 per event (removal/reinstate);
- The removal of the jetty and its reinstatement may occur a number of times depending on the number of cyclone threats in a season;
- Any delays in reinstating the pontoons would result in unsatisfactory levels of service to the public;
- Cost estimates for construction of the floating pontoon jetty are in the region of \$370,000; and
- Cost estimates to construction of a new stepped finger jetty are in the region of \$350,000.

RBFS have been consulted regarding the potential changes to the design as a result of these investigations and confirm they have no objection to the City changing the scope of works and noting the cost of redesign works will be utilised from the approved RBFS funds.

Based on the consensus of Council Officers' opinion, it is proposed to revise the scope of works as follows:

- Modification of existing ramps, designed to reduce inundation during high tides and design to incorporate armour stone to protect sides of the ramps;
- Remove and replace existing static jetty with a new jetty incorporating vertical fenders set at closer spacing's to enhance safety;
- Adjust the layout of the car park to compliment the new ramp and incorporate an asphalt surface; and
- Tie in the new asphalted car park to the end of Mystery Road.

Procurement

It is proposed to call tenders for the rebuild of the facility, with the successful contractor commencing construction works in April, 2016 (following cyclone season).

The following qualitative selection criteria is proposed:

| Criteria | Weighting |
|---------------------|-----------|
| Relevant Experience | 20% |
| Capacity to Deliver | 10% |
| Methodology | 10% |
| Price | 60% |

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CE-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of economic issues as the budget is estimated at 5% or more of the total rates of the City, as shown in the Corporate Business Plan 2012-2016.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place between Council Officers and BMT JFA Consulting Pty Ltd. Department of Transport (DoT), RBFS and various industry experts.

Council has been previously advised of the project through previous reports submitted for Council endorsement.

An internal Project Reference Group has been established involving the Director Strategic Projects & Infrastructure with nominated Officers from Infrastructure Services to assist with the technical design and specifications, and evaluation of tenders when called.

COMMUNITY CONSULTATION

No community consultation has occurred at this stage, but will be required through public notification of forward planned works where access to the location will be disrupted during construction period. The public were notified previously of closure and restricted use of ramps during groyne remediation and dredging works to remove the build-up of silt at the front of the ramps in February and March 2015.

STATUTORY IMPLICATIONS

Designs comply with all relevant Australian Standards. Procurement is proposed in accordance with the *Local Government Act 1995* and associated regulations.

POLICY IMPLICATIONS

Procurement implications are applicable as per Council's CG12 Purchasing Policy.

FINANCIAL IMPLICATIONS

Council has allocated \$2,378,662 for this project in its 2015/16 Budget to be offset by \$1.5m, confirmed from the RBFS.

Should Council agree with the Officer's recommendation to revise the scope of works this will result in additional consultant fees of approximately \$30,000, however this will be offset by the anticipated reduction to construction costs. RBFS have confirmed the cost of revising the design can be borne by the Round 20 funding application. It is therefore anticipated there will be little or no financial implications, as the costs for construction works has been included in the 2015/16 Budget adopted by Council on 17 August 2015.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2015-2016 provided for this activity:

Our Program: 1.a.2.4 Maintain City infrastructure necessary to meet the

community needs

Our Services: 1.a.2.4.6 Maintain and renew other community infrastructure

(i.e. beaches, boat ramps, jetties)

RISK MANAGEMENT CONSIDERATIONS

There are inherent risks with the ramps overtopping during high tide which will be mitigated by rebuilding the ramps. Upgrading the existing static jetty and increasing the number of vertical fenders and decreasing the distance between fenders, will increase public safety and also provide better protection for smaller craft.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously considered this project on three occasions as outlined in this report and additionally undertaken improvements to Ramps and staging area at the Dampier Boat ramp in 2014/15 to improve safety and functionality for public use.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

- 1. CONSTRUCT a navigable channel at Karratha Back Beach ramp location and ensure sufficient budget is available each year for maintenance dredging; and.
- 2. ENDORSE the revision of the boat ramp, jetty and car park facility design to include:
 - a) Modification of existing ramps, designed to reduce inundation during high tides. Design to incorporate armour stone to protect sides of the ramp.
 - b) Remove and replace existing static jetty with a new jetty incorporating vertical fenders set at closer spacing's to enhance safety;
 - c) Adjust the layout of the car park to compliment the new ramp and incorporate an asphalt surface; and
 - d) Tie in the new asphalted car park to the end of Mystery Road.

CONCLUSION

The rebuild of the Karratha Back Beach boat ramps, jetty, car park and tie into Mystery Road will provide numerous benefits to the boating community. The original design levels of the boat ramps take into consideration the potential for a navigable channel from the ramp location to deep water, however the findings of the Siltation Report indicate ongoing maintenance dredging costs to be prohibitive, especially when regional conditions are taken into consideration.

The cost of installing a floating jetty is comparable to the cost of installing a stepped static finger jetty, however the operational cost of protecting the floating ramp from cyclonic events could place a significant additional burden on future budgets.

- 2. ENDORSE the revision of the boat ramp, jetty and car park facility design to include:
 - a) Modification of existing ramps, designed to reduce inundation during high tides and design to incorporate armour stone to protect sides of the ramp
 - b) Remove and replace existing static jetty with a new jetty incorporating vertical fenders set at closer spacing to enhance safety
 - c) Adjust the layout of the car park to compliment the new ramp and incorporate an asphalt surface

13.2 ADVERTISE LOT LA 35 FOR LEASE AT KARRATHA AIRPORT

File No: TT.363

Responsible Executive Officer: Director Strategic Projects & Infrastructure

Reporting Author: Airport Commercial Coordinator

Date of Report: 9 November 2013

Applicant/Proponent: Nil

Disclosure of Interest: Nil

Attachment(s) LA 35 Lease Plan

PURPOSE

To seek Council's consideration to advertise the land (known as lot LA 35) on Bayly Avenue at Karratha Airport using a commercial real estate agent to negotiate terms and conditions of a Lease Agreement with aviation related businesses.

BACKGROUND

LA 35 is a 700m² lot that was previously used to house a backup power generator for the airport. As part of the HV/LV upgrade program a new generator was installed to the western end of the airport terminal building. The redundant generator was removed from LA 35 and the building has been used as a storage facility required as part of the airport upgrade. As the upgrade project no longer needs this facility, LA 35 is again available for use.

LA 35 includes an air-conditioned building, enclosed yard, drive and lay away area, and covered porch.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CE-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of economic issues in relation to Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

The proposed disposal of property (Lease) will be required to comply with Section 3.58 of the *Local Government Act 1995*.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

If a Lease Agreement is to be negotiated, the officer will firstly obtain quotes to appoint a commercial real estate agent to then market lot LA 35 using the below proposed commercial terms:

| | Proposed Commercial Terms | | | | | | | | | | |
|--|--|---|----------|--|--|--|--|--|--|--|--|
| Lease Term | 5 Years | | | | | | | | | | |
| Commercial Rent Developed Area | \$200/m ² Available Area 100m ² | air-conditioned building | \$20,000 | | | | | | | | |
| Commercial Rent Partially Improved Area | \$10/m ² Available Area 600m ² | enclosed yard, drive and lay away area, and covered porch | \$7,000 | | | | | | | | |
| Proposed Commercial Rental Amount | Total Annual Revenue | | \$27,000 | | | | | | | | |

Officer's recommend the use of a commercial real estate agent so as to increase the exposure of potential businesses utilising their relevant marketing techniques.

Suitable commercial tenants may wish to lease all or part of the available space depending on their business requirements.

The Airport Budget will be adjusted to reflect the additional income that could result from the potential lease.

STRATEGIC IMPLICATIONS

This item is relevant with the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2015-2016 provided for this activity:

Our Program: 1.a.2.2 Operate Karratha Airport to achieve a commercial

outcome

Our Services: 1.a.2.2.5 Manage lease of land, office accommodation and

commercial space

RISK MANAGEMENT CONSIDERATIONS

There are no risk management considerations applicable.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously set precedence by delegating authority to the Chief Executive Officer to negotiate leases with existing tenants who operate at Karratha Airport.

VOTING REQUIREMENTS

Simple and Absolute Majority

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.58 of the *Local Government Act 1995* RESOLVES to NOT ENDORSE publically advertising the lot LA 35 at the Karratha Airport.

CONCLUSION

Attachment(s) Design

PURPOSE

To seek Council's endorsement to call tenders for the enhancement of Shark Cage Beach – Stage 1 as identified in the Dampier Town Site and Foreshore Enhancement Plan and to endorse the scope of works and selection criteria.

BACKGROUND

At the Ordinary Meeting held 16 March 2015, Council resolved, in part to endorse Shark Cage Node Enhancement works for the Dampier Foreshore - Stage 1 Works as the first priority from the Dampier Town Site and Foreshore Enhancement Plan.

The design has now been prepared (Refer to Attachment) and include the following items consistent with the scope of works previously presented to Council including:

- a) Widen footpath along the Esplanade adjacent to Shark Cage Beach to approximately 2.5 metres:
- b) Foreshore tree planting to enhance usability and presentation of the Shark Cage Beach area;
- c) Beach access points including stairs or ramps as appropriate, considering universal access capacity;
- d) Upgrade existing beach shade and picnic shelters into planned locations to facilitate meeting points, maintenance and management;
- e) Stabilisation and reinforcement to drainage outlets onto foreshore;
- f) New barbecue and picnic area including shade structures and palm trees to enhance usability and presentation of the foreshore; and

g) Visual improvements to existing beachside ablutions combined with upgrades to drink fountain and beach shower.

The detailed design drawing and specifications are being finalised by Cardno WA Pty Ltd so Officers now seek Council approval to endorse the scope of works and to proceed to tender.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CE-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of economic issues.

COUNCILLOR/OFFICER CONSULTATION

A number of City Officers have provided input into the Dampier Town Site and Foreshore Enhancement Plan and the process for prioritising and implementing priority works for the foreshore areas. Council has previously been presented with updates on the design at Council Briefing Sessions.

COMMUNITY CONSULTATION

A community workshop was held on 11 November 2014 as part of preparation of the Dampier Town Site and Foreshore Enhancement Plan. Once endorsed, Officers will be communicating regular updates to the Dampier and wider community on the design and status of the project.

STATUTORY IMPLICATIONS

Tenders for the works are proposed to be called in accordance with Section 3.57 of the *Local Government Act 1995*. The form of contract related to the tender is proposed to be in accordance with AS 4000—1997 General Conditions of Contract.

POLICY IMPLICATIONS

Council Policy CE13 – Tender Evaluation is applicable.

The proposed evaluation criteria includes:

| Criteria | Weighting |
|----------------------------|-----------|
| Relevant Experience | 15% |
| Capacity to Deliver | 15% |
| Demonstrated Understanding | 10% |
| Price | 60% |

FINANCIAL IMPLICATIONS

Council has allocated \$3.9m to the Dampier Foreshore Works in its LTFP with \$2m allocated in 2015/16.

The initial cost estimates provide \$1.9m to deliver the proposed works, with a project budget of \$2m (\$796,895 Rio Tinto funding and \$1,203,105 Council funding) for these works. This has been included in the 2015/16 Budget.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2015-2016 provided for this activity:

Our Program: 1.a.2.4 Maintain City infrastructure necessary to meet the

community needs

Our Services: 1.a.2.4.6 Maintain and renew other community infrastructure

(i.e. beaches, boat ramps, jetties)

RISK MANAGEMENT CONSIDERATIONS

A detailed project risk management plan will be prepared with the preferred contractor to address risks associated with the works post contractor appointment.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously endorsed the proposed first package of works at its meeting held on 16 March 2015.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to ENDORSE the calling of Tenders for the implementation of works at Shark Cage Beach Stage 1 with an amended scope of works including the following:

| a) | | | | | | |
|----|------|--|--|--|--|--|
| b) | | | | | | |

CONCLUSION

Council has in the past supported the recommendations of the Dampier Town Site and Foreshore Enhancement Plan and identified Shark Cage Beach to be the first priority of works. By implementing the scope of works the amenity of the facilities at Shark Cage Beach will be improved and community enjoyment enhanced.

Council is now required to consider the scope of works, along with the tender evaluation selection criteria, in order to progress the calling of tenders.

PURPOSE

To advise Councillors of Tenders that have been awarded by the Chief Executive Officer since the last Ordinary Council Meeting.

BACKGROUND

Under Delegation 13 'Awarding Tenders', the Chief Executive Officer is able to award a Tender where the consideration does not exceed \$300,000.00 (excluding GST) and there is an approved budget. Policy CE-13 'Tender Evaluation Criteria' requires that on each occasion where Delegation 13 is used a report is to be provided to Council at the next ordinary Council meeting that provides the information as detailed below:

Note

At the Ordinary Council Meeting held on 17 August 2015, Council via Resolution 153224 resolved to:

- 1. REJECT all Tenders on the grounds of not having provided an acceptable Tender that offer preferred value options to deliver services for Council; and
- AUTHORISE the Chief Executive Officer to NEGOTIATE with the market to establish a contract within Council's budget.

Following the negotiations with Ngarluma Yindjibarndi Foundation Ltd and the Ngarliyarndu Bindirri Aboriginal Corporation, the CEO has endorsed the recommendation to award the tender to Ngarluma Yindjibarndi Foundation Ltd on the basis that their revised price submission provided the best value option for Council.

4. Economic, Demographic and Business News

4.1 Procurement Workshop

The City of Karratha in partnership with The Karratha and Districts Chamber of Commerce and Industry hosted a small business breakfast briefing and Procurement workshop on September 23, 2015. There were approximately 50 participants in attendance to hear a variety of presenters. Mayor Peter Long provided an update on City of Karratha projects and initiatives, especially those which had a direct impact on small business. Phillip Trestrail, Director Corporate Services and Geoff Shoemark Project Manager, Strategic Projects provided an overview of the City of Karratha purchasing and tendering requirements and future tendering opportunities. A representative from Horizon Power provided an overview of their purchasing and tendering requirements.

The City of Karratha's presentations were very relevant on tendering/procurement issues confronting local business and a great segway to David Lunn's Workshop session.

Feedback from the participants has been very positive on the City's involvement and the workshop itself.

Depending on demand, the KDCCI is investigating a running a" Master Class Tendering Workshop" early in 2016, as it is regarded that upskilling in this area is an important strategy in local businesses winning local contracts.

4.2 BHP Billiton Prospective NW Shelf Oil Discovery

BHP Billiton has identified via seismic survey a potential oil find north of Karratha that could contain more than 1.6 billion barrels of oil in the Beagle sub-basin. It is expected that a drilling program will commence in 2018.

4.3 Business Excellence Awards 2015

The City of Karratha sponsored the Best Home Based Business Award at the recent KDCCI Business Excellence Awards which was won by Margaret Bertling's Site Pics. The KDDCI is to be congratulated on another well organised and attended event which was themed around and featured the actual Melbourne Cup for 2016. This sponsorship is part of the City's partnership with the KDCCI to deliver a range of business events and demonstrates Council's commitment to business development and economic diversity in the region.

4.4 LandCorp Success at UDIA Awards for Baynton West

LandCorp's successful delivery of Baynton West Karratha has been rewarded with acknowledgment as the Best Residential Development over 250 lots at the recent Urban Development Institute of Australia (WA) Awards of Excellence. Baynton West is a family-

friendly suburb which contains the City's Pam Buchanan Family Centre and the Baynton West Primary School, making it one of Karratha's most desirable suburbs. It contains a range of affordable housing styles and block sizes providing lifestyle choices into the Karratha community, offering residents a master planned community with a high level of amenity on par with what could be found in the metropolitan area.

4.4 CEDA Conference Karratha

The Committee for Economic Development of Australia (CEDA) hosted the Future of the Pilbara Conference which was held on Wednesday, 7 October 2015, from 8.00am to 4.30pm at the Karratha Leisureplex, Karratha. It was part 6 of a 10 conference State of the Regions Series. The conference was attended by 200 representatives from government (State and Federal), industry, business and commerce.

It commenced with a Welcome by Liz Ritchie State Director, CEDA WA and a Welcome to Country by Pansy Hicks, Ngarluma Elder.

The Introduction was by Chair Terry Hill A/Chief Executive Officer, Pilbara Development Commission who officially launched the Pilbara Regional Investment Blueprint which will guide investment for the future of the Pilbara.

The Hon. Terry Redman MLA WA Minister for Regional Development spoke of the need for economic diversification into tourism, agriculture and energy production. He emphasised the importance of partnerships with the private sector and the "need to recalibrate traditional thinking".

Michael Utsler, Chief Operating Officer, Woodside, spoke of the \$70b investment in NW Shelf Venture and Pluto with around \$1b spent annually on maintenance of which \$400 m is spent locally in the Pilbara. Woodside employ 119 apprentices. Mr Utsler spoke of continued confidence and a bright future with continuing drilling program and \$300-\$500m to be spent of renewal of Karratha Gas Plant. He spoke of the importance of Internet and broadband access, the importance of data analytics and use of advanced technologies.

Mr Nev Power, Chief Executive Officer, Fortescue Metals Group Ltd spoke of FMG achieving exports of 550 million tonnes since commencing operations with a current production rate of 165 mtpa. FMG provide employment for 8000 employees of which around 1000 are indigenous. FMG are providing different family friendly rosters for local employment plus offering DIDO as an alternative to FIFO. He spoke of a "Hands up not hands out" approach needed in the community to sustain future growth.

Dr Ken Leong, from the Bankwest Curtin Economics Centre, provided statistics on economics and demographics of the Pilbara. Dr Leong highlighted the fact that the Pilbara has the highest percentage of working age population (15-64) in WA. Conversely it has amongst the lowest percentage of capacity building (14-23) population which is a concern and highlights the need for appropriate education and training options for the Pilbara.

There was a keynote presentation by the Hon. Mia Davies MLA Minister for Water; Sport and Recreation; Forestry who spoke of plans to double agricultural output by 2050. Minister Davies also spoke of major initiatives such as the Water for Food Program, the Pilbara Soil Study and the PHADI project. She also spoke of Cabinet support for changes to land tenure pathways to facilitate more economic diversity by pastoralists and coined the phrase" This is the real deal and time to make our mark".

Frank Tudor Managing Director, Horizon Power described the history to power supply in the Pilbara and Horizon Power's role. He spoke of ongoing gas supply issues beyond 2020. He stressed the importance of dual fired generation and flagged the need of a Pilbara wide grid to make better use of unused capacity.

Roger Johnston Chief Executive Officer, Pilbara Ports Authority gave an overview of the Pilbara Ports and current export levels including \$54 b of iron ore and \$24 b of oil and gas which is expected to increase to 50 mt LNG by 2017/18.

The Hon. Alannah MacTiernan MP Deputy Chair, Joint Select Committee on Northern Australia highlighted the essential need for:

- The NBN for the Pilbara which should be fibre to the home not just fibre to the node. Great potential to enhance business and community;
- "Translate sentiment into resources" and "Unleashing the potential";
- Vertically integrated cattle industry;
- Residential college needed for indigenous students; and
- Devolved decision making in health and education.

Mr Michael Woodley, Chief Executive Officer, Yindjibarndi Aboriginal Corporation spoke of varying models of indigenous support, some of which work well, some of which are well intentioned but don't deliver and others which are not sympathetic to traditional owners. He concluded with the sentiment that the door is always open to enhanced cooperation and collaboration between the resource and indigenous sectors.

Jason Pugh Chief Executive Officer, New Energy highlighted the waste to energy project to be constructed in Port Hedland for which the City of Karratha has signed a 20 year agreement.

Tony Seabrook President, Pastoralists and Graziers Association of Western Australia spoke of the challenges facing the pastoral industry.

Paul Hoffmann Project Director Infrastructure – West Pilbara Infrastructure Project, Aurizon highlighted the West Pilbara Iron Ore Project for which Aurizon will be the infrastructure provider and stated that the project will "Unlock the potential of the West Pilbara Precinct".

Nelson Woss Film Producer, *Red Dog* (2011) and *Blue Dog* gave an update on the progress of the prequel to Red Dog notionally titled Blue Dog which is in production and due to be released on Bocking Day 2016. Will further add to tourism promotion for our region.

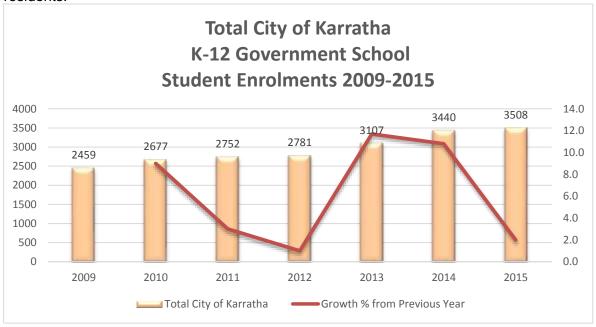

Nicola Forrest Chief Executive Officer, Minderoo Foundation spoke passionately about the potential of the beef industry, indigenous engagement and early childhood education.

Overall the Conference was well organised and attended event which focussed positively on the future of the Pilbara enhanced by economic diversification.

It also highlighted the potential for Karratha to be a regional centre for conferences and expos given the excellent facilities supported by competent local functions and catering businesses, and with increasingly available and affordable accommodation options.

4.5 School numbers continue to grow in the City of Karratha

Recent school census data provided by the Education Department indicate that year on year growth of total school enrolments has continued. Whilst there has been some adjustments from school to school and across first to second semesters 2015, overall the numbers are up 2% from 2015 with over 3,500 students from K-12. This gives confidence to the City that its partnerships with government and industry stakeholders to deliver enhanced community facilities, services and infrastructure are resulting in the continued attraction and retention of residents.

PURPOSE

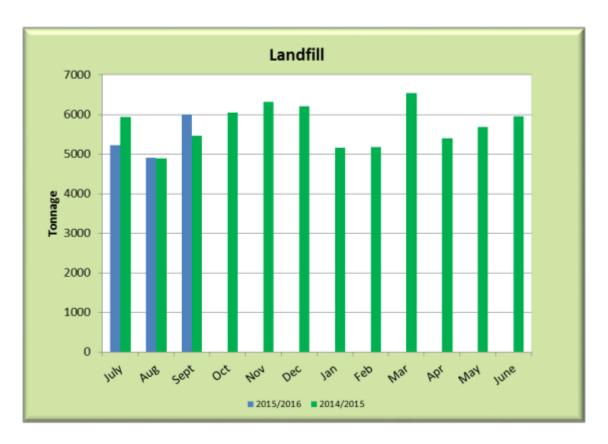

To provide an illustration of Waste Services data collected for the 2015/16 year with comparisons against previous year.

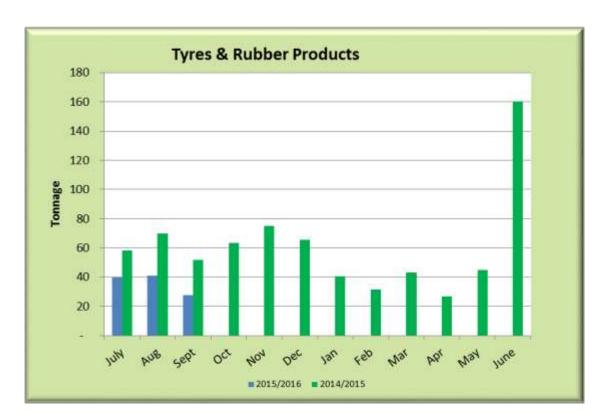

Street Litter collected and delivered to the 7 Mile Waste Facility. Litter Control Budget reduced 2015/16. Less Litter Pickers deployed.

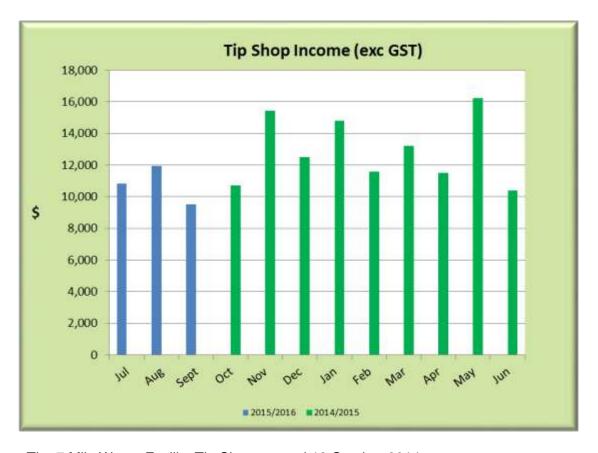

Liquid Waste delivered to the 7 Mile Waste Facility. Significant drop from 2014/15 due to competitor commencing operation of liquid waste ponds and the reduction in camp utilisation.

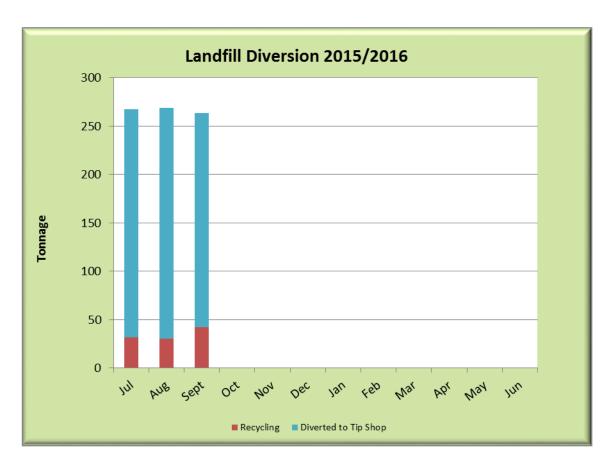

Total waste, excluding liquid waste and clean fill, delivered to the 7 Mile Waste Facility.

Tyres and Rubber products delivered to the 7 Mile Waste Facility. The spike in rubber products in June was due to the large quantity of rubber floating hoses received.

The 7 Mile Waste Facility Tip Shop opened 18 October 2014.

Waste/goods diverted to recycling and the 7 Mile Tip Shop from the Transfer Station.

PURPOSE

To inform Council as to the current situation pertaining to the Roebourne Community Kitchen, and the Memorandum of Understanding (MOU) with IF Foundation for maintenance services to the facility.

BACKGROUND

In March 2013, IF Foundation submitted a proposal to the CEO for consideration, to construct a Community Kitchen within the Roebourne Recreation Precinct. Within the 2013/2014 Annual Budget process, Council approved \$165,000 for the IF Foundation in collaboration with multiple stakeholders from the Roebourne community to design, construct and project manage the delivery and operation of the Community Kitchen. The intention of the project was to deliver an appropriate educational facility for local offenders to complete their Community Based Orders (community service hours) with exercises such as construction labouring, waste and cleaning programs, cooking classes and graffiti management. The facility is owned by Council.

Memorandum of Understanding

An MOU was developed to outline the ongoing management and maintenance responsibilities of IF Foundation and the City, which was executed by both parties in May 2014. Within the MOU, IF Foundation are responsible for cleaning of the barbeques, tables and seats; litter collection and graffiti management. The schedule outlined in the MOU states that these tasks are required to be carried out for 14 hours per week. Graffiti removal kits are to be provided by the Cleansweep Taskforce to IF Foundation in the event of vandalism.

Officers monitored the kitchen between December 2014 and August 2015 and noted that minimal service was carried out during this time. Numerous attempts at contacting IF Foundation over a number of months via phone and email were not successful.

The City's Regulatory Services team have advised that graffiti removal kits have not been requested by IF Foundation, although the City has had reported instances of graffiting. In these instances, the City has engaged contractors to remedy this. Additionally, IF Foundation are responsible for quarterly reporting of facility usage to the City though records dating back to August 2014 indicate no usage patterns or information has been received.

In its current state, the facility is under-utilised and vandalised regularly. Officers believe that this is due to the lack of cleanliness and lack of community ownership. Officers have commenced the process of terminating the MOU with IF Foundation in attempt to increase usage of the Kitchen, provide a facility that meets Councils Levels of Service, and reduce vandalism. Termination of the MOU will allow a formal budget to be adopted for the proactive and reactive maintenance of the facility.

CONCLUSION

Since construction of the Roebourne Community Kitchen, the frequency of cleaning, maintenance and facility reporting outlined within the Memorandum of Understanding between the City and IF Foundation has not been met. Attempts at contacting IF Foundation have been unsuccessful. To formalise a maintenance schedule and budget, and increase usage of the facility, Officers are terminating the Memorandum of Understanding between the City and IF Foundation.
