**Dear Sir/Madam**

**Rates Assessment: A78313**

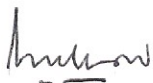

***In response to your letter of 9 May 2018, Advertised Differential Rates Model 2018/2019***

***I feel strongly that the Residential rate category, if any rise, it should be endured equally.***

***Having some to bear more than others is extra burden on them and could very well cause dissatisfaction particularly those affected, being there seen to be the inequality, even though living in the same council.***

***I appreciate the opportunity to put forward submission and hope it ends favorably.***

***Yours faithfully***
