Subject: ICR185911 - RV.10 - Rates increase

Hello

We the owners of 1 Bajamalu Drive, Baynton West rejected the councils proposal to increase rates. The simple matter is that it's unfounded. Our property has substantially decreased in value and a rates rise is not fair.

We beleive the shire is increasing the rates to pay for an upcoming infrastructure project (hotel). We beleive some of these projects to be unnecessary spending as well as not being the business of the shire to be involved. We will re-iterate - an absolute no vote for rates rise and absolute no vote for shire backed hotel.

Regards
