Subject: ICR185837 - RV.10 - Object to rate increase

Hi,

I have two properties in Karratha- 17 Baynton Drive and 2 parker Close. I strongly object to my rates being raised when my houses have been strongly devalued and we are struggling to pay mortgages. The Cok rates are already significantly higher than in other places in WA, there is no need to raise them even further and place people in even further hardship. If anything rates should be being lowered.

Yours sincerely
