Subject: ICR186026 - RV.10 - Rates

Good morning,I object to the proposed rate increase having lived here for over 11 years and seen the property values and rental income crash disastrously.

We need spending to be evenly allocated across the boundaries and our services in Roebourne have constantly been eroded.

No courthouse, bin collection reduction,licence testing reduction and the list goes on.

Please confirm receipt of email,sincerely Steve Edney.
