To whom it may concern,

I as an owner of the above property I strongly object to an increase of rates this year. My property has devalued more than \$400,000 & a rate increase at this time is inappropriate.

I would also like to be advised as to why we paid for underground power years ago but have seen no evidence of it being installed in our street. Is Karratha Shire prepared to refund the payment made plus interest for the time you have been holding it without action?

Regards,
Bronwen Peel
