

ORDINARY COUNCIL MEETING

MINUTES

**Ordinary Meeting of Council was held
in the Council Chambers, Welcome Road, Karratha,
on Wednesday, 30 June 2023**

**VIRGINIA MILTRUP
CHIEF EXECUTIVE OFFICER**

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE) (updated 13 March 2000)

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the *Local Government Act 1995*.

NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measure in money terms. There are exceptions in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the *Local Government Act*; or
 - 6.2 Where the Minister allows the Councillor to participate under s5.69 (3) of the *Local Government Act*, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

DEFINITION: *An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.*

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY CLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

BACKGROUND

Regulation 34(1) of the *Local Government (Financial Management) Regulations 1996* requires the City to prepare a monthly statement of financial activity including the sources and applications of funds, as compared to the budget.

SUMMARY

The following table is a summary of the Financial Activity Statement by Nature and Type compared to the Budget as of 30 April 2023:

2022/23	Original Budget	Amended Budget	Year to Date Budget	Year To Date Actual	YTD Variance	Variance %	Impact on Surplus
Operating Revenue (incl. Rates)	118,747,403	121,490,729	108,425,237	107,307,442	(1,117,795)	-1.0%	↓
Operating Expense	(114,742,587)	(108,002,429)	(92,064,233)	(97,471,797)	(5,407,564)	5.9%	↓
Non Operating Revenue	68,558,105	23,870,257	13,883,434	15,120,605	1,237,171	8.9%	↑
Non Operating Expense	(94,772,771)	(63,734,347)	(32,662,381)	(26,218,625)	6,443,756	-19.7%	↑
Non Cash Items Included	20,789,922	29,729,963	24,749,905	24,579,496	(170,409)	-0.7%	↓
Restricted PUPP Surplus BFWD 1 July	124,258	124,258	124,258	124,258	0	0.00%	
Unrestricted Surplus BFWD 1 July	1,342,418	1,342,418	1,342,418	1,342,418	0	0.00%	
Surplus/(Deficit) 22/23	46,746	4,820,849	23,798,638	24,783,797	985,159		

This table shows a surplus position of \$24.8m, a positive variance of \$985k compared to the budgeted surplus position of \$23.8m, which reflects timing of transactions associated with projects and grant funding. The brought forward unrestricted surplus position of \$1.3m is a pre-audit position and remains subject to end of financial year accounting and audit adjustments.

The restricted balance referred to in the preceding table and throughout this report comprises Pilbara Underground Power (PUPP) Service Charges levied in 2014/15, which are subject to the 10-year instalment option offered by Council.

In accordance with the materiality threshold adopted by Council for the reporting of variances in Operating Revenue and Expenses, the following comments provide an explanation of material variances which contribute significantly to the total YTD budget variance shown in the above table. Further details are provided later in this report in the Variance Commentary - Statement of Financial Activity by Nature & Type.

Operating Revenue		
1,011,271	▲	Waste Management - Increase in waste revenue from Contaminated Waste
825,105	▲	Proceeds on sale of assets and realisation – Largely due to sale of Staff Housing on Walcott Way

200,858	▲	Interest being reviewed with reserves.
184,571	▲	Investment Property The Quarter - Additional recovery of outgoings expense.
86,349	▲	Airport Passenger Service - Stronger passenger growth than forecasts.
84,127	▲	Airport Lease Outside Terminal - Execution of new agreements with tenants based on higher negotiated rates.
2,608,132	▲	Positive Variance
(1,000,000)	▼	Dampier Community Hub - RTIO funding yet to be received.
(500,000)	▼	Wickham Community Hub - RTIO funding yet to be received.
(360,000)	▼	Oval Hardcourts Grants - Education Department invoice to be raised approx. \$360k -expected May 2023.
(356,089)	▼	Proceeds on Sale of Assets and Realisation - Largely due to sale of Staff Housing in Walcott Way.
(275,000)	▼	Community Safety - Income not yet allocated from Rio (\$100k) and Woodside partnerships (\$175k).
(205,451)	▼	Aviation Revenue - Timing and use of smaller aircraft impacting estimated revenue.
(175,279)	▼	Rates - Interims for April less than anticipated.
(168,787)	▼	Ranger Services - Contribution to SAFE incorrectly assigned to this Revenue account. Rio Tinto contribution toward ranger services in the Eastern Corridor not yet transferred.

(165,270)	▼	Roebourne Aquatic Centre Grants - Ed Dept contribution to be invoiced.
(150,000)	▼	OECD Conference - \$196,000 of sponsorship secured. Processing payments is expected to occur in May and June.
(112,000)	▼	REAF - RTIO contribution to be received
(100,000)	▼	Cossack Art Awards - RTIO contribution to be received.
(75,000)	▼	Airport - Rio Tinto contribution to support development of East Coast Flights. Work in progress.
(56,674)	▼	Fines & Penalties - Variance is influenced by backlog of fines only recently referred to Fine Enforcement Recovery Service. Expecting variance to reduce as late payment of fines is received in batches from FERS.
(3,699,551)	▼	Negative Variance
(1,091,418)	▼	Net Negative Variance

Operating Expense		
674,078	▲	Fuel - \$187k stock issued in CiA \$532kSept-Apr to be stock issued in CiA \$77k per month forecast spend increased from \$55k.
376,177	▲	General Waste and Recycling Collection - Delay in Invoice processing per Vendor.

Financial Statements

The financial statements for the reporting period are provided as an attachment in the form of:

- Statement of Financial Activity by Nature and Type.
- Variance Commentary - Statement of Financial Activity by Nature and Type.
- Net Current Funding Position.
- Statement of Financial Position.

LEVEL OF SIGNIFICANCE

Financial integrity is essential to the operational viability of the City but also as the custodian of community assets and service provision. An ability to monitor and report on financial operations, activities and capital projects is imperative to ensure that financial risk is managed at acceptable levels of comfort.

The ability for the City to remain financially sustainable is a significant strategy for a region that is continually under pressure from the resources industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services.

STATUTORY IMPLICATIONS

In accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, a Statement of Financial Activity is required to be presented to Council as a minimum requirement.

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34(5) of the *Local Government (Financial Management) Regulations 1996*, a report must be compiled on variances greater than the materiality threshold adopted by Council of \$50,000 or 10% whichever is the greater. As this report is composed at a nature and type level, variance commentary considers the most significant items that comprise the variance.

COUNCILLOR/OFFICER CONSULTATION

Executives and Management have been involved in monthly reviews of their operational and departmental budgets and notifying the Financial Services team of trends and variances arising from their operational areas.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

The Council's financial reporting is prepared in accordance with Accounting Policy CF12. This is reviewed periodically to ensure compliance with legislative and statutory obligations.

FINANCIAL IMPLICATIONS

The report represents the financial position of the Council at the end of March 2023 with a year-to-date budget surplus position of \$23,798,638 (comprising \$23,674,380 unrestricted surplus and \$124,258 restricted surplus) and a current surplus position \$24,783,797 (comprising \$24,659,539 unrestricted surplus and \$124,258 restricted surplus). The restricted balance comprises PUPP service charges levied in 2014/15.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Our Programs/Services:	4. c.1.1	Management Accounting Services
Our Projects/Actions:	4. c.1.1.19.1	Conduct monthly and annual financial reviews and reporting

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the city is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	Completion of the Monthly Financial Activity Statement report is a control that monitors this risk. Strong internal controls, policies and monitoring ensure risks are assessed regularly and managed appropriately. Expenditure and revenue streams are monitored against approved budgets by management and the financial team with material variances being reported.
Service Interruption	N/A	Nil
Environment	N/A	Nil
Reputation	N/A	Nil
Compliance	Low	Financial reports are prepared in accordance with the Local Government Act, Regulations and Accounting Standards.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer’s recommendation.

RELEVANT PRECEDENTS

This is a monthly process advising Council of the current financial position of the City.

BACKGROUND

Council has delegated authority to the Chief Executive Officer (Delegation 1.6) the power to make payments from the City's Municipal and Trust funds.

In accordance with *Regulations 12 and 13 of the Local Government (Financial Management) Regulations 1996* a list of accounts paid by the Chief Executive Officer is to be provided to Council, where such delegation is made.

The list of accounts paid must be recorded in the minutes of the Council Meeting.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision-Making Policy, this matter is of high significance in terms of Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Officers have been involved in the approvals of any requisitions, purchase orders, invoicing and reconciliation matters.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

Payments are to be made in accordance with Part 6, Division 4 of the *Local Government Act 1995* and as per the *Local Government (Financial Management) Regulations 1996*. Payments are to be made through the municipal fund, trust fund or reserve funds. Payments are to be in accordance with approved systems as authorised by the CEO.

POLICY IMPLICATIONS

Staff are required to ensure that they comply under Council Policy CG12 – Purchasing Policy and CG11 - Regional Price Preference Policy (where applicable) and that budget provision is available for any expenditure commitments.

FINANCIAL IMPLICATIONS

Payments are made under delegated authority and are within defined and approved budgets. Payment is made within agreed trade terms and in a timely manner.

- Major Motors – Purchase new Isuzu Truck - \$206,367
- Yindjibarndi Aboriginal Corp – Waste Disposal Fee (Vic Hotel Site) - \$133,913

Consistent with CG-11 Regional Price Preference Policy, 53% of the value of external payments reported for the period were made locally.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Our Program: 4.c.1.4 Accounts Receivable and Accounts Payable

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	Failure to make payments within terms may render Council liable to interest and penalties
Service Interruption	Moderate	Failure to pay suppliers may lead to delays in the future provision of goods and services from those suppliers
Environment	N/A	Nil
Reputation	Moderate	Failure to pay for goods and services in a prompt and professional manner, in particular to local suppliers, may cause dissatisfaction amongst the community
Compliance	N/A	Nil

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

There are no relevant precedents related to this matter.

<small>The balance of all Term Deposits includes interest accrued to 30April2023</small>							

On average, the City is earning 4.57% across Municipal Term Deposits and 4.23% across Reserve Term Deposits.

The RBA official cash rate (overnight money market interest rate) remained unchanged at 360 basis points during the month of April. As a result, the Municipal Funds held in the Westpac transaction account are earning 3.45% interest. Reserve funds held in the Westpac Business Premium Cash Reserve account are earning 2.15% interest on balances of over \$1m

Cash Allocations and Financial Investments

Council’s Municipal and Reserve Bank Accounts are to be maintained so that a maximum return can be achieved from funds required in the short term.

The following graph depicts the allocation of our Cash and Financial Investments to maximise return on investment which shows that over 79% of our Cash and Financial Investments are invested in Reserve Term Deposits.

Schedule of Maturity of Cash and Financial Investments

In accordance with the City’s Investment Policy (CF3), in respect to liquidity of funds, the following schedule shows the maturity of our various investments. 48% of Cash and Financial Investments will mature in the next 3 months, 31% maturing in the next 4-6 months and 21% maturing in the next 7-12 months.

Schedule of Liquidity

Administration reviews funds to ensure there is sufficient liquidity to meet the operational cash flow requirement.

The liquidity graph for 2022/23 demonstrates a trend on par with April forecasts.

Schedule of Other Investments

As part of Council's investment strategy, reserve funds were used to purchase a commercial property 'The Quarter HQ' in June 2017. The following table provides a summary of all income and expenditure for The Quarter for the current financial year:

	Month 30 April 2023 \$	Year to Date 30 April 2023 \$	Life to Date 30 April 2023 \$

LEVEL OF SIGNIFICANCE

Shrewd investment of the City's equity is essential to the operational viability of the City. An ability to monitor and report on the City's investments is imperative to ensure that financial risk is managed at acceptable levels of comfort.

The ability for the City to remain financially sustainable is a significant strategy for a region that is continually under pressure from the resources industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services.

STATUTORY IMPLICATIONS

In accordance with section 6.14 of the Local Government Act and Regulation 19C of the Financial Management Regulations, the City will invest excess funds not required for any specific purpose in authorised deposit taking institutions as defined in the Banking Act 1959 (Cth) Section 5 and/or the Western Australian Treasury Corporation established by the Western Australian Treasury Corporation Act 1986, for a term not exceeding 3 years.

COUNCILLOR/OFFICER CONSULTATION

Executives and Management have been involved in monthly reviews of their operational and departmental budgets and notifying the Financial Services team of trends and variances arising from their operational areas.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

The Council's financial reporting is prepared in accordance with Accounting Policy CF03, CF04, & CF12. This is reviewed periodically to ensure compliance with legislative and statutory obligations.

FINANCIAL IMPLICATIONS

The financial implications of this report are noted in the detail sections of the report. The Administration is satisfied that appropriate and responsible measures are in place to protect the City's financial assets.

STRATEGIC IMPLICATIONS

This item is relevant to Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Our Programs/Services:	4. c.1.1	Management Accounting Services
Our Projects/Actions:	4. c.1.1.19.1	Conduct monthly and annual financial reviews and reporting

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

BACKGROUND

The City of Karratha adopted its first ever suite of Integrated Strategic and Planning documents on 17 December 2012. Overarching this suite of interrelated plans is the Strategic Community Plan 2020-2030, which identifies the aspirations of the community to meet our vision to be *Australia's most liveable regional city*. The Corporate Business Plan 2020-2025 provides specific detail of Council's commitment to the community by prioritising the programs and services Council will provide over this five-year period. The draft 2023-2024 Operational Plan (an annual slice of the Corporate Business Plan 2020-2025) further builds on the foundation already provided through previous Operational Plans that continue with the implementation of projects and actions identified to deliver the Corporate Business Plan.

In accordance with section 5.56 of the *Local Government Act 1995* and Regulation 19DA of the *Local Government (Administration) Regulations 1996*, the City is required to undertake a review of its Corporate Business Plan every year to ensure it is consistent with the organisation's goals and objectives as determined by the Strategic Community Plan. Some minor modifications are proposed to the Corporate Business Plan to ensure the ongoing relevance of new programs and services.

DISCUSSION

This review is a minor review of the Corporate Business Plan and Operational Plans and incorporates new initiatives and regular budget programming for operational areas. A major review of the Strategic Community Plan, Corporate Business Plan and Operational Plans are scheduled following the election of Council Members in October 2023.

Corporate Business Plan 2020-2025

Removed 1.d.1.2 Planning Services	No projects or actions anticipated for 2023/24 period as it pertains to improved community safety.
Amended 4.b.2.2 Enterprise Hardware Management	Retitled program from Enterprise Systems and Architecture Hardware to better reflect associated projects and actions for 2023/24 period.
Amended 4.b.2.3 Enterprise Software Management	Retitled program from Software Management to better reflect associated projects and actions for 2023/24 period.

Draft 2023/24 Operational Plan

The Operational Plan aligns with the programming set by the Corporate Business Plan and is updated each year with proposed projects and actions for the coming financial year. Major projects identified within the Annual Budget are captured in the Operational Plan amongst other longer-term strategies referenced through informing documents such as the Strategic Asset Management Plan, Economic Development Strategy, Indigenous Engagement Strategy, Long Term Financial Plan, Workforce Plan, Sustainability Strategy, etc.

The draft Operational Plan comprises 238 projects/actions continuing from the 2022/23 Operational Plan plus 46 new project/actions. In summary, the review proposes the following changes in the number of programs/services, projects/actions and KPIs:

Strategic Community Plan 2020-2030	Corporate Business Plan 2020-2025		Operational Plan		Linked to Corporate Business Plan	
STRATEGIC THEMES	OUR PROGRAMS / SERVICES		OUR PROJECTS / ACTIONS		PERFORMANCE MEASURES (KPIs)

PURPOSE

For Council to consider the annual review of the Delegations Register.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : **155202**
MOVED : **Cr Harris**
SECONDED : **Cr Gillam**

That Council NOTE the proposed Delegations Register as attached to this report.

CARRIED 11/0

FOR : Cr Long, Cr Nunn, Cr Bailey, Cr Bertling, Cr Furlong, Cr Gillam, Cr Harris, Cr McNaught, Cr Miller, Cr Scott, Cr Waterstrom Muller
AGAINST : Nil

BACKGROUND

Delegations and authorisations are contained within Council's Delegations Register, providing an all-encompassing record and organisational reference of a position, person or body appointed to exercise a power, discharge a duty or make a decision on behalf of Council.

Delegations by Council and/or the CEO are an effective way to reduce red tape and improve customer satisfaction through prompt decision-making processes within the constraints allowed by relevant legislation. Using the power of delegation assists local governments to efficiently deal with a wide range of operational matters that are minor, administrative in nature and potentially time consuming.

The *Local Government Act 1995* requires local government to keep a register of delegations and review the register once every financial year.

DISCUSSION

Council can delegate functions under legislation other than the *Local Government Act 1995* provided that there is a power of delegation within the relevant legislation. Most legislation also provides for the CEO to sub-delegate, or delegate directly, operational discretionary powers or functions in order for officers to carry out the functions of their role. In some

circumstances, sub-delegation by the CEO may not be permitted therefore the delegation will need to be made to employees directly by Council.

Minor adjustments have been made to the Delegations Register where administrative errors have been noted and an update has been made globally to the title of Director Community Experience.

Delegations from the Council to the CEO: Nil

Delegations from Council to Employees: Nil

Delegations or sub delegations from the CEO to Employees as reflected via tracked changes in the attached **Delegations Register**.

Delegation Register Appendix C – Delegations / Authorisations by Role has correspondingly been updated to reflect the above amendments.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of high significance in terms of Council's ability to perform its role.

STATUTORY IMPLICATIONS

Section 5.46(2) of the *Local Government Act 1995* (the Act) requires Council to review the delegations made under Division 5 at least once every financial year.

Under the *Local Government Act 1995*, a local government may delegate to the CEO any of its powers or the discharge of any of its duties other than those prescribed under section 5.43.

All delegations made by Council must be by an absolute majority as prescribed by sections 5.42 and 5.44 of the *Local Government Act 1995*. The Act allows the CEO to delegate to any employee the exercise of any of the CEO's powers or discharge of duties, in accordance with section 5.44 of the Act.

COUNCILLOR/OFFICER CONSULTATION

Officers have been consulted as to changes to the Delegations Register. Following adoption by Council of the Delegation Register review, affected employees will be informed of any delegation changes.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

There are no policy implications at this time.

FINANCIAL IMPLICATIONS

There are no financial implications.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	4.a.2.2	Council Support
Projects/Actions:	4.a.2.2.20.1	Undertake annual review of Delegated Authority Register to ensure appropriate, inclusive and efficient decision making

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	N/A	Nil
Service Interruption	Moderate	Delegations are required for the day-to-day operations of the City to ensure efficient decision making processes that affect the community and other stakeholders.
Environment	N/A	Nil
Reputation	Moderate	Delays otherwise experienced by community members and other stakeholders, which may affect Council’s reputation.
Compliance	Moderate	The Delegations Register provides a detailed record of the roles where delegations exist under the <i>Local Government Act 1995</i> and other legislation for which local governments are authorised. One-on-one delegation inductions, compliance training and the issuing of ID Cards for authorised officers form part of the process of ensuring delegated officers have the relevant skills, experience and qualifications.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer’s recommendation.

RELEVANT PRECEDENTS

The Delegations Register is reviewed annually by Council. The Delegations Register was last reviewed and adopted by Council on 30 June 2022.

VOTING REQUIREMENTS

Absolute Majority.

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council ENDORSE the proposed Delegations Register as attached to this report with the following variations and/or new delegations/authorisations _____.

CONCLUSION

The Delegations Register is regularly updated throughout the year where delegation exists with the CEO and along with any proposed changes is presented to Council as part of the annual review process. This is to ensure streamlined decision-making outcomes in the discharge of Council functions. A small number of minor amendments are proposed as a result of consultation with City Officers to reflect potential improvement opportunities within work processes and legislative changes.

BACKGROUND

The 2023/24 Municipal Budget and related documentation is the culmination of some four months' work by officers with input from all departments across the organisation and review by Councillors through a series of budget workshops and Councillor briefing sessions.

As part of the budget deliberations the following efficiency measures and service improvements have been considered:

Efficiency Measures:

- continued review of the need for and remuneration of each vacant position;
- disposal of under-utilised light fleet and plant;
- continued use of local suppliers whenever possible and appropriate;
- implementing energy and water efficiency strategies and actions with further evaluation of installing solar at existing facilities;
- review of GRV rating for capital improvements under the State's Rating Policy – Valuation of Land – Mining;
- one full budget reviews conducted each financial year;
- ongoing implementation of Enterprise Resource Planning system; and
- ongoing investment in property to generate alternative revenue streams and reduce reliance on rates.

Service Improvements:

- reconstruction of Coolawanyah Road Stage 3 and Hillview/Balmoral Rd;
- expansion of local road and footpath network and associated infrastructure;
- housing and land initiatives including provision of Service Worker accommodation;
- Dampier land transfers from Rio Tinto;
- Kevin Richards Memorial Oval and Bulgarra Oval upgrades;
- Walgu mixed-use development in the CBD;
- Karratha Leisureplex Outdoor Court Shading upgrades;
- Runway rejuvenation at Karratha Airport;
- playground upgrades in Nickol;
- continued support for local businesses through economic development grants; and
- annual community survey to inform services and priorities.

Overview

In broad terms the 2023/24 Budget consists of the following:

- \$114.8m Operating Expenditure
- \$41.3m Capital Expenditure (excluding transfer to Reserve)
- \$19.2m Net transfer to Reserves

Rating

In 2023/24 the City will require \$53.3m from general rate revenue and 59% of operating revenue will come from other sources, including grants, fees and charges.

At its Ordinary Council Meeting on 26 April 2023 Council considered a differential rates model for 2023/24 and resolved to advertise the rates for public consultation (Resolution no. 155169). The advertised model incorporated a 5% increase to rates in the dollar across all differential rating categories.

Following consideration of public submissions at its Ordinary Council Meeting on 29 May 2023 and the revaluation information received from Landgate for UV Strategic and Mining categories, Council resolved to 'SEEK Ministerial approval for the differential rating category

being greater than two times the lowest rate in the dollar (noting that the application is similar to those approved every year since at least 2013)'.

The impact on the advertised differential rates and final differential rates proposed, inclusive of the Transient Workforce Accommodation/Workforce Accommodation rate in the dollar, pending approval from the Minister, is detailed below:

GRV/ UV	Differential Rates Categories 2023/24	2022/23 Rate in \$	2023/24 Advertised Rate in \$	2023/24 Proposed Rate in \$
GRV	Residential	0.071058	0.074611	\$1,691
GRV	Commercial / Industrial	0.097252	0.102115	\$1,691
GRV	Airport / Strategic Industry	0.142115	0.149221	\$1,691
GRV	Transient Workforce Accommodation / Workforce Accommodation	0.281389	0.295458	\$1,691
UV	Pastoral	0.107708	0.113093	\$355
UV	Mining / Other	0.138119	0.145025	\$355
UV	Strategic Industry	0.192140	0.201747	\$355

Applications for rates waivers from not-for-profit community groups have been assessed in accordance with CF-11 Rating Exemption Policy and pursuant to section 6.47 of the *Local Government Act*. For 2023/24, two applications for rates waivers are not supported by City Officers as the land use does not exclusively meet charitable purpose as commercial activities are routinely conducted on the premises.

Payment Options

The same payment options as offered in prior years are proposed, including payment in full, payment by two instalments and payment by four instalments. These involve an instalment administration charge of \$10 per instalment after the first instalment, and instalment interest of 4.5% per annum. Direct debit payment options are also available which involves an administration charge of \$25 establishment fee and can be called at any time. This ameliorates the financial impact on ratepayers without sufficient cash flow to pay their rates in full, while still encouraging payment in full from those with the capacity to do so.

The *Local Government (COVID-19 Response) Order 2022* has ended and the penalty interest can be increased to 11% as per *Local Government Financial Management Regulations*. Due to cost of living pressures already experienced within the community the penalty interest for overdue rates levied will remain at 7% per annum. This compensates Council for the opportunity cost of the uncollected revenue while also strongly discouraging delinquency in payment of rates.

Capital Works

The Capital Works Program of \$41.2 million (excluding repayment of Borrowings and Reserve Transfers) includes the following major projects:

Project	\$
Walgu Development - design	\$960k
Hillview/Balmoral Road upgrade	\$5.7m
Kevin Richards Memorial Oval Redevelopment (including multi use hard courts and lighting)	\$4.3m
Hancock Way – construction of 6 Houses	\$3.9m
Roebourne Streetscape Master Plan Construction	\$3.3m
Coolawanyah Road reconstruction	\$1.2m
Karratha Airport Runway rejuvenation	\$1.0m
Jingarri Housing Construction	\$1.1m

Councillor Allowances

The most recent determination of the Salaries and Allowances Tribunal, dated 7 April 2023, is attached for reference and provides for an increases to Mayoral/Deputy Mayor and Councillor maximum annual allowances of 1.5%. The attached draft budget will be updated to reflect the 1.5% increase.

Fees & Charges

The main features of the draft budget include:

1. Penalty interest on rates remain at 7%.
2. There are 935 fees and charges of which 294 remain unchanged.
3. 193 fees and charges have increased by 4.3% or less (CPI as per Long Term Financial Plan)
4. 138 fees and charges have increased by greater than 5%
5. 8 fees and charges have decreased.
6. 28 fees and charges are new (including 10 new fees and charges for Community facility and equipment hire).

Reserve Funds

Following is a summary of budgeted reserve movements for 2023/24:

Opening Balance 2023/24	Transfers to Reserve	Transfers from Reserve	Closing Balance 2023/24
\$87,789,163	\$26,254,084	(\$7,100,817)	\$106,942,430

Variance Reporting

Each year Council is required to adopt a percentage or value to be used in statements of financial activity for reporting material variances, as required by clause 34(5) of the Local Government (Financial Management) Regulations 1996.

The custom and practice has been for Council to adopt its material variances thresholds at the time of adopting its next financial year Budget. For the 2022/23 financial year Council adopted a threshold of '10% or \$50,000 whichever is the greater'.

In recommending the continuation of the 2022/23 material variance threshold of '10% or \$50,000 whichever is the greater' for 2023/24, a review of other similar local governments' material variance thresholds for 2022/23 was undertaken and is shown in the table below:

Council	2022/23 Material Variance Threshold
City of Kalgoorlie Boulder	10% and \$50,000
Shire of Ashburton	Greater of 10% or \$40,000
Town of Port Hedland	Greater of 10% or \$50,000

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of high significance in terms of Council's ability to perform its role.

STATUTORY IMPLICATIONS

Section 6.2 of the *Local Government Act 1995* requires that not later than 31 August in each financial year, or such extended time as the Minister allows, each local government is to prepare and adopt (by Absolute Majority), in the form and manner prescribed, a budget for its municipal fund for the financial year ending on the next following 30 June.

Divisions 5 and 6 of Part 6 of the *Local Government Act 1995* refer to the setting of budgets and raising of rates and charges. The *Local Government (Financial Management) Regulations 1996* details the form and content of the budget. The draft budget has been prepared to include information required by the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and Australian Accounting Standards.

Section 6.12 of the *Local Government Act 1995* refers to the power to defer, grant discounts, waive or write off debts.

COUNCILLOR/OFFICER CONSULTATION

Extensive consultation has occurred with all departments and through briefings and workshops with elected members on a regular basis since March 2023.

COMMUNITY CONSULTATION

The proposed differential rates model was advertised and submissions were invited from ratepayers. Fourteen submissions were received by the close of submissions and these were considered by Council at its May 2023 Ordinary Council Meeting. There were no submissions received from the Transient Workforce Accommodation/ Workforce Accommodation category.

POLICY IMPLICATIONS

CF-10 Rating Equity Policy
 CF-11 Rating Exemption Policy
 CG-06 Councillor Fees, Allowances & Reimbursements
 CF-05 Financial Hardship (Rate Relief) Policy

The Draft Budget 2023/24 applies the principles of rating equity in the setting of Council's differential rates and the provision of rating exemptions.

FINANCIAL IMPLICATIONS

The Draft 2023/24 Budget provides for the following income and expenditure:

Operating Revenue	\$139.4m
Operating Expenditure	(\$114.8m)
Capital Revenue	\$7.0m
Capital Expenditure	(\$67.5m)
Surplus	\$312k

STRATEGIC IMPLICATIONS

Council’s current Long Term Financial Plan (LTFP) includes a 4.3% rate increase in 2023/24 to reflect anticipated cost increases (based on estimated CPI). However, despite recent annual CPI increases (Perth all groups) of 5.8% (March 2023) and the WA Local Government Cost Index being expected to show cost increases of 4.5% in the 12 months to 30 June 2023 (6.4% to 30 June 2022), sound financial management means that it is possible to adopt a balanced budget with a predominant 5% increase in the rate yield across all categories.

The budget will provide the necessary resources to implement the 2023/24 Operational Plan which operationalises the Strategic Community Plan 2020-2030 and Corporate Business Plan 2020-2025.

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Moderate	Delays in the adoption of the Budget will impact on the timing of cashflows from rates and other funding sources.
Service Interruption	Low	Delays in the adoption of the Budget will impact on the commencement of new projects and services.
Environment	N/A	Nil
Reputation	Low	The draft budget is expected to maintain the City’s strong reputation for sound financial management.
Compliance	Moderate	The Budget has been developed in accordance state government legislation and associated regulations.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer’s recommendation.

RELEVANT PRECEDENTS

The 2022/23 Budget was adopted by Council on 30 June 2022.

VOTING REQUIREMENTS

Absolute Majority.

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council ADOPT the proposed 2023/24 Budget with the following amendments:

1. _____
2. _____

CONCLUSION

The 2023/24 Budget continues the balanced approach to meeting community expectations, including a predominant rate increase of 5%. With the benefit of 59% of operating income coming from sources other than rates, the 2023/24 Budget will ensure both the immediate term needs of current residents are met while at the same time providing enhanced services and infrastructure developments to meet future requirements.

That Council **APPROVE** the change in dates for the Ordinary Council Meeting for:

- 1. Monday 24 July 2023 be replaced with Monday 31 July 2023;**
- 2. Monday 23 October 2023 be tentatively scheduled for a Special Council Meeting to swear in the new Council; and**
- 3. Monday 23 October 2023 be replaced with Monday 30 October 2023.**

BACKGROUND

The Council previously approved meeting the 2023 dates for Council on 21 November 2022. Due to the lack of availability of Council Members attending the Developing Northern Australia Conference in Darwin, it is proposed an alternative date be considered for July.

The October Council meeting of 23 October 2023 is the Monday immediately following the local government elections and the time available will not allow new council representatives sufficient time to be across all council matters for deliberation. New reform measures also are likely to delay declarations by the WAEC of newly elected members.

DISCUSSION

The ordinary Council Meeting of 24 July 2023 coincides with the DNA Conference in Darwin. The meeting can be shifted to either Monday 17 July 2023 or 31 July 2023. The earlier date

is only 3 weeks after the June Council meeting and then 6 weeks until the August Council meeting date. Preference would be to go for the latter date.

The October Council meeting of 23 October 2023 is hampered by the local government elections. The release of reform measures to the *Local Government Act 1995* as it relates to the local government elections and the subsequent timing of announcements of winning candidates at the October 2023 elections, it is understood that official declarations are likely to be called by the WAEC Returning Officer on the Monday 23 October 2023. This is a departure to past practices where declarations were made following the Count on the Election night and then the Monday was set aside for swearing in of Council Members. Options to either bring the council meeting date forward to 16 October (with a four week gap since the September Council meeting and a five week gap to the November Council meeting) or push back to 30 October (with a six and three week gap respectively).

It is further anticipated that there will be a special council meeting following the election to swear in the new Council and Mayor.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of moderate significance in terms of Council’s ability to perform its role.

STATUTORY IMPLICATIONS

Section 5.25(1)(g) of the *Local Government Act 1995* and Regulation 12 of the *Local Government (Administration) Regulations 1996* require disclosure of ordinary council meeting dates and any subsequent changes to those dates on the City’s website.

COUNCILLOR/OFFICER CONSULTATION

Discussion has been held between the Chief Executive Officer and the Mayor.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

There are no financial implications.

STRATEGIC IMPLICATIONS

There are no strategic implications.

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Not applicable
Financial	N/A	Not applicable
Service Interruption	Moderate	A regularity of monthly Council meetings enables the efficient processing of decisions in a timely manner.
Environment	N/A	Not applicable
Reputation	Moderate	A regularity of monthly Council meetings enables the efficient processing of decisions in a timely manner.
Compliance	Low	Any changes to the ordinary council meeting dates previously published would need to be republished in accordance with the <i>Local Government Act 1995</i> .

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

The last set of Council meeting dates was approved by Council on 21 November 2022 for the 2023 year.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council APPROVE the change in dates for the Ordinary Council Meeting for:

1. Monday 24 July 2023 be replaced with _____ ; and
2. Monday 23 October 2023 be replaced with _____.

Option 3

That Council make no changes to the published dates for the 2023 Ordinary Council Meetings.

CONCLUSION

A change in Council meeting dates to ensure decisions required to be made by Council are not unduly delayed or affected by a lack of quorum of available Council Members.

BACKGROUND

The following matters were discussed at the meeting:

a) Committee Meeting Dates for 2023

Meetings have been scheduled for Monday 11 September 2023 and Tuesday 14 November 2023.

b) Internal Audit Program

Endorsing a three year internal audit program inclusive of major and minor audits, annual cyclical audits and spot audits to test and ensure internal controls are operational and effective and complying with City policies and protocols.

c) 2021/22 Annual Financial Report and Audit Opinion 2022

- An unqualified independent audit report was received indicating that the City's financial report is based on proper accounts and fairly represents, in all material respects, the City's financial performance for 2021/22.
- The OAG's Financial Audit Emphasised one matter related to the restatement of comparative figures within Note 32 as it related to the 30 June 2021 financial period that were restated and disclosed as comparatives in this 30 June 2022 financial report.
- The OAG's Management Report identified two (2) significant matters (both resolved), two (2) moderate risks and three (5) minor risks.

d) Risk Register Update

194 risks have been identified across the organisation. Of 40 inherent risks classified as high or extreme, there are no residual risks rated extreme and only six rated as high. These risks are considered acceptable with regular monitoring to ensure effective control measures.

e) Regulation 17 Reviews

Information item on the ongoing activity to review systems and procedures in relation to risk management, internal controls and legislative compliance.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of moderate significance in terms of Council's ability to perform its role.

STATUTORY IMPLICATIONS

Part 7 of the *Local Government Act 1995* makes provision for the Audit Committee and the conduct of audits.

Regulations 10, 14, 16 and 17 of the *Local Government (Audit) Regulations 1996* refers to the reporting by auditors, compliance audits, function of the audit committee and internal audits on risk management, internal controls and legislative compliance.

COUNCILLOR/OFFICER CONSULTATION

The Audit and Organisational Risk Committee, Chief Executive Officer, Director Corporate and Legal Services, Finance staff and Governance staff have been consulted.

COMMUNITY CONSULTATION

An Annual Electors' Meeting will be held to discuss the contents of the City's Annual Report which will include the audit opinion and annual financial report for year ended 30 June 2022.

POLICY IMPLICATIONS

The Annual Financial Report was prepared in accordance with the Australian and International Accounting Standards.

FINANCIAL IMPLICATIONS

There are no financial implications.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

- Programs/Services: 4.c.1.1 Management Accounting Services
- Projects/Actions: 4.c.1.1.19.1 Conduct monthly and annual financial reviews and reporting

- Programs/Services: 4.e.1.2 Organisational Risk Management
- Projects/Actions: 4.e.1.2.21.1 Assist the Office of Auditor General with financial and performance audits

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	Nil	Nil
Financial	Moderate	The annual financial audit ensures that the presentation of financial reports are a true and fair representation of the financial affairs of the City. Significant controls and oversight are in place throughout the year to monitor financial performance. Audits assist in minimising risks.
Service Interruption	Nil	Nil
Environment	Nil	Nil
Reputation	Nil	Nil
Compliance	Nil	Nil

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer’s recommendation.

RELEVANT PRECEDENTS

The external audit is completed annually and reported to the Audit and Organisational Risk Committee and Council prior to the Annual Electors’ Meeting. Council considers the Independent Audit Report and Management Reports on an annual basis.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council DEFER consideration of this matter pending further information.

CONCLUSION

The primary focus of the 19 June 2023 AORC meeting was to receive the Auditor’s Independent Report for 2022 and the Annual Financial Report for the Year Ended 30 June 2022. Discussion also took place regarding the future committee meeting dates, internal audit program and risk management. The OAG has provided an unqualified audit report. The Management Report highlighted two significant, two moderate and five minor risks.

That Council APPROVE funding to Wedgetail Aerospace Pty Ltd as follows:

BACKGROUND

The City’s EDG Policy was adopted in July 2020 to:

- Provide a competitive, open and fair process for organisations to apply for funding to develop their innovative business ideas; and
- Attract diverse and sustainable business and employment opportunities to the City of Karratha.

Wedgetail submitted a funding proposal to the City under the EDG Policy on 18 April 2023. Wedgetail is a private company established in 2021 that has identified the potential to better connect regional communities and provide efficiencies for industry and businesses in regional areas through the use of large scale ‘heavy’ drones. This includes using heavy drones for:

- Long range delivery of time sensitive cargo (for example delivery of pharmaceuticals and pathology for urgent medical cases and/or remote patients);
- Gathering intelligence;
- Surveillance (for example mine site surveillance and security); and
- Reconnaissance of critical infrastructure.

In 2022 Wedgetail were awarded funding from the Federal Government through the Emerging Aviation Technology Partnerships (EATP) Program to develop a large drone operations hub in regional Western Australia. The EATP project is intended to:

- Identify the regulatory requirements for establishing a large drone operations hub in regional WA; and
- Fund pilot and maintenance staff training and qualifications.

This work is currently underway and will support the successful delivery of the proposed PoC.

Through this work, Wedgetail have identified that the Pilbara provides an ideal location for the PoC and potential operational hub due to access to established industry and Government departments with significant infrastructure assets requiring inspection and maintenance, whilst tracts of sparsely populated land facilitate mission planning and regulatory approval.

Wedgetail are now seeking funding from the City to complete a PoC that will demonstrate the feasibility of the technology to potential clients and stakeholders and progress them towards their goal of establishing a Pilbara Drone Operational Hub in the City of Karratha. The PoC includes:

1. Identification and securing of a suitable drone operation hub and land areas to enable the safe launch, recovery, command, control, communications and maintenance and sustainment of drone operations;
2. Identification of drone mission profiles and movement corridors which meet regulatory and commercial profiles;
3. Stakeholder engagement to enable support and acceptance of drone operations within the Pilbara environment;
4. Mission planning and approval applications submission to the regulatory bodies, including the Civil Aviation Safety Authority (CASA), Air Services Australia, the Australian Communications and Media Authority (ACMA), and others as required;
5. Training and preparation of pilots and support staff to safely and effectively conduct the PoC;
6. Logistics to enable the transport to and from Karratha and the sustainment, command, control, communications and administration of pilots, support staff, drones, equipment, goods, materials and consumables;
7. Identification of, and communications with stakeholders and customers to invite their attendance at an event which demonstrates Wedgetail’s transformational capability;
8. Organisation of and conduct of the capability demonstration event; and
9. Post activity learnings and round out.

The PoC flight and capability demonstrations are scheduled to occur in October 2023. It is intended the flight will occur before the Pilbara Summit due to be held on 10-11 October 2023, and the capability demonstration will be held after the Summit. This will assist in

showcasing the PoC to key stakeholders who will be in attendance at the Pilbara Summit and has the potential to increase the local economic benefit of the project through extended overnight stays.

If the PoC is successful, it could enable Wedgetail to progress towards their goal of establishing a Pilbara Drone Operational Hub in the City of Karratha.

DISCUSSION

Proposal

The City has been invited to provide financial assistance of \$121,292 (excl. GST), being half of the project cost to support the completion of the PoC.

The following benefits would apply to the City should funding be supported:

- Acknowledgment of funding support through branding and media with strong benefits of identifying the City as a progressive and innovative local government that supports local businesses and start ups;
- Potential economic benefit for Karratha should Wedgetail be successful in establishing a Pilbara Drone Operational Hub including:
 - New value chains;
 - Local employment opportunities;
 - Reduction in the cost of doing business;
 - Improved efficiency for industry, government and businesses in the region.
- The City will gain rights to the Instruments of Approval from CASA that are obtained through the PoC. This would enable the City to promote the Drone Hub opportunity to alternate proponents should Wedgetail not proceed to commercialise operations in Karratha within two years from the PoC event. The Instruments of Approval may best be described as the authority from CASA which confirms and details how a flight may occur – this is based on submission of information such as proposed platforms, altitude ceilings, flight corridors, and safety plans.

A full copy of the EDG Proposal is included as **Attachment 1** and a copy of the proposed project plan and budget is included as **Attachment 2**.

Assessment

The request has been evaluated against the assessment criteria in the EDG Policy and a copy of this assessment is included as **Attachment 3**. In brief, the evaluation determined that the proposal:

1. Aligns with the City's strategies and Operational Plan. Specifically, the proposal will assist the City to deliver against Strategy 2.d.2 in the City's Strategic Community Plan to promote the region as a business destination. It will also support various strategies in the City's Economic Development Strategy to attract and support the establishment of new businesses.
2. The initial PoC is expected to provide some economic benefit to the City through local spend on the delivery of the project. This is likely to include spend with accommodation and hospitality providers for those directly involved with the project (pilots, maintenance staff) and industry representatives who are expected to attend the capability demonstration. The establishment of the drone hub (if successful) has significant potential for local economic benefit through development of an emerging industry, creation of local jobs, and reduction of operational costs for existing local industry.
3. The proposal has a clearly identified need, however as it is an emerging industry the actual demand for this technology is untested at this stage. The costs involved in working towards regulatory approvals, including leasing and insurance for the platforms (i.e. drones), is significant. Whilst the request to the City exceeds previous funding approvals for similar projects, the funding is being leveraged through Wedgetail's own capital and EATP funding.

4. The proposal includes extensive research on the potential for the heavy drone industry and it is considered that some form of drone service has a likelihood of commercialisation in the Pilbara in the future.
5. The proposal includes a clearly defined project plan and budget.

The EDG Policy provides no methodology to determine an appropriate amount of funding to be provided to applicants and provides no maximum limits for funding. In determining a suitable amount of funding to be provided, Administration has considered the following matters:

- The amount of funding requested represents half of the total PoC cost;
- Support of the project will assist to brand the City as an innovative local government that is supportive of new businesses, noting the PoC does not represent the actual establishment of a new industry;
- Should the PoC lead to establishment of a drone hub in Karratha, economic benefits will be realised through creation of employment opportunities, and a reduction in the cost of doing business for existing local industry;
- Planning by Wedgetail Aerospace for a drone hub in Karratha is well advanced and is considered likely to go ahead should the PoC be successful; and
- The City will be entitled to the relevant Intellectual Property rights following a two year period.

While the project is considered to generally satisfy the relevant criteria of the EDG Policy, given the substantial contribution requested and the precedent set by previous applications supported under this scheme, it is recommended that a contribution of only \$60,000 be supported by Council. This equates to approximately 25% of the PoC project cost and while less than requested, represents a genuine desire by the City to support the further advancement and use of drone technology in and around Karratha to both diversify the economy and support existing industry in the region.

Wedgetail have been made aware that the amount of funding requested is higher than the contributions the City has previously made to other similar projects and that funding provided may be lower than the amount requested. They have not indicated if a reduction in funding would impact project delivery.

Funding Request

Organisation Name	Project Name	Project	Project Total	Requested Amount	Recommended Amount
Wedgetail Aerospace Pty Ltd	Pilbara Drone Hub Proof of Concept	Identify suitable drone mission profiles inclusive of movement corridors and mission planning to enable regulatory approval, proof of concept, and capability demonstration for operation of 'Heavy' drones.	\$242,585 (excl. GST)	\$121,292 (excl. GST)	\$60,000 (excl. GST)

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-08 Significant Decision-Making policy, this matter is considered to be of low significance in terms of social issues and economic issues as the EDG Policy provides for funding assistance to attract investment and diversify the local economy through development of new industries.

STATUTORY IMPLICATIONS

There are no statutory implications.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place with relevant internal departments.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

The City’s EDG Policy applies.

FINANCIAL IMPLICATIONS

Funding for this proposal has been included in the draft 2023/24 Budget. If Council approve funding other than the Officer’s recommendation an adjustment to the budget will be required.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	2.a.1.1	Small and Medium Enterprise Support
Projects/Actions:	2.a.1.1.19.1	Implement Business Support Grants

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil.
Financial	Low	Low financial risk of the City providing funding to projects that are not able to be delivered or are delivered to an inadequate standard. Risk will be managed through funding agreement.
Service Interruption	N/A	Nil.
Environment	Low	Low environmental risk as the take-off/landing areas have been identified as being developed and/or cleared sites which are appropriately zoned to allow an aerodrome to be an acceptable land use. Proposed flight corridors will maintain separation from residential dwellings and adhere to all relevant aviation requirements.
Reputation	Low	Low reputation risk of the City providing funding to projects that are not able to be delivered or are delivered to an inadequate standard. Risk will be managed through funding agreement.
Compliance	Low	Low compliance risk of project not being delivered to the agreed standard. Risk will be managed through funding agreement. The City will work with Wedgetail to ensure the project is acquitted to a satisfactory standard and agreed IP is available for City use.

IMPACT ON CAPACITY

The capacity to deliver the recommendation will be met through the City's existing operational resources.

RELEVANT PRECEDENTS

Prior to endorsement of the EDG Policy, Council considered ad-hoc requests for funding and entered into funding agreements with proponents where the project delivered benefits to the local economy. Examples of projects funded prior to formalisation of the EDG Policy include:

Project Title	Partner	Objective	City Funding (excl. GST)
Sahara Forest Project	DPIRD, the Sahara Forest Project and Yara Pilbara	Determine whether intensive agriculture is a viable and sustainable industry to diversify the local economy and provide a detailed report on findings.	\$50,000
Pilbara Rock Oyster Research and Development	DPIRD, PDC, Fisheries Research & Development Corporation, Maxima Pearling Company and Murujuga Aboriginal Corporation	Develop and implement all necessary infrastructure, policy and procedures to operate a pilot oyster trial in the Pilbara.	\$50,000
Pilbara University Centre Feasibility Study	KDCCI, Central Queensland University	Complete a feasibility and produce a business case and accompanying grant application to support establishment of a Pilbara University Centre located in Karratha.	\$27,000
Karratha Galvanising Plant Feasibility Study	Marnda Advanced Coatings	Investigate the feasibility of establishing a commercial galvanising plant in Karratha and provide a detailed report on findings.	\$40,000
Wanggalili Project	Juluwarlu Group Aboriginal Corporation, Yurra Pty Ltd, Woollahra Group Pty Ltd, BBI Group Pty Ltd, PDC, Sahara Forest Project and Abundance Produce Australia	Creation of a commercially viable and sustainable agriculture and manufacturing business utilising locally grown and harvested plants.	\$80,000

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by APPROVE funding to Wedgetail Aerospace Pty Ltd in accordance with the below:

Organisation Name	Project Name	Grant Amount
Wedgetail Aerospace Pty Ltd	Pilbara Drone Hub Proof of Concept	
TOTAL (excl GST)		

Option 3

That Council DECLINE sponsorship funding to Wedgetail Aerospace Pty Ltd.

CONCLUSION

Wedgetail Aerospace Pty Ltd has requested funding of \$121,292 (excl. GST) to support the delivery of a PoC for a Pilbara Drone Hub. The request has been evaluated against the City's EDG Policy and is considered to meet the requirements of this Policy. It is recommended the proposal be supported for \$60,000 (excl. GST) representing approximately 25% of the PoC project value.

12.2 2024 DEVELOPING NORTHERN AUSTRALIA – PROPOSED SPONSORSHIP THROUGH MAJOR EVENTS SPONSORSHIP AND ATTRACTION PROGRAM

File No: RC.119

PURPOSE

For Council to consider a request from AST Management Pty Ltd (AST) to sponsor the 2024 Developing Northern Australia (DNA) Conference under Policy DE03: Major Event Sponsorship and Attraction Program Policy (MESAP Policy).

OFFICER’S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155209
MOVED : Cr Harris
SECONDED : Cr Waterstrom-Muller

That Council **APPROVE** sponsorship funding to AST Management Pty Ltd as follows:

Organisation Name	Project Name	Grant Amount
AST Management Pty Ltd	2024 Developing Northern Australia Conference	\$142,000 (excl. GST)
TOTAL		\$142,000 (excl. GST)

CARRIED 11/0

BACKGROUND

The City’s MESAP Policy was adopted in 2017 to provide a competitive, open and fair process for organisations to apply for sponsorship to deliver major events that result in economic and social benefits in the City of Karratha. It was also designed to ensure Council’s investment in sponsorship provides best value for money for the attraction and support of major events.

AST submitted a proposal to the City under the MESAP Policy on 4 May 2023. AST are a for-profit corporate event management company.

DNA is an annual event which aims to bring together key decision makers from all levels of government, industry, business and trade who have influence over Northern Australia. The 2024 DNA Conference is proposed to be held at the Red Earth Arts Precinct on 12-14 August 2024. It is expected that the 2024 event will attract in excess of 300 delegates.

DNA is the only conference to focus on core issues, policies, solutions and outcomes relating solely to Northern Australia. DNA delegates generally consist of policy makers, decision makers, officials and leaders who work together for a stronger, healthier, more cohesive Northern Australia.

The following topics, which are pertinent to the development of Northern Australia, are generally a focus of the conference, and have alignment with the City's vision and strategic themes:

- Tourism and Hospitality (Rethinking place-based approaches to destination development, support for small business in the tourism sector, new tourism sector development);
- Infrastructure (strategic transport and logistics, beef roads – cattle supply chain, towards a Northern Infrastructure Plan, integrating rail, air services and ports, Indigenous procurement);
- Resources and Energy (energy futures for northern Australia, securing new investment in energy, energy research and development, Governance and policy for the energy sector);
- International Education (Outlook and northern investment opportunities, Innovation in the education sector);
- Healthcare, Medical Research and Aged Care (research, development and innovation, outlook and northern investment opportunities, innovation);
- Business Opportunities (Indigenous engagement, digital and remote technologies, young entrepreneurs, reducing red tape, supporting SMEs);
- Workforce (backpackers, seasonal and local workforce development options, industry workforce needs, development of structured migration plans, securing indigenous employment opportunities);
- Food and Agribusiness (New models for food and agribusiness development, securing investment in food and agribusiness, innovation and leadership in agri-food production, developing trade and strategic links); and
- Land and Water (regional approaches to development planning, navigating flexible land tenure options, sustainable options for developing water harvest and supply, integrated land, water and infrastructure development, issues surrounding forestry).

DISCUSSION

Proposal

AST Management Pty Ltd have invited the City to purchase a Host City Partner sponsorship for the 2024 Developing Northern Australia Conference.

The Host City Partner sponsorship involves a commitment of \$142,000 (excl. GST).

The proposed sponsorship includes the following benefits:

- Special announcement of the conference location and relationship with the City, at the close of the 2023 conference in Darwin, in the presence of the plenary delegation, government representatives and media delegates including promotional video of the conference destination (supplied by the City);
- Dedicated email notification launching DNA 2024 Conference and Host City;
- Primary exposure of host partner on event collateral and publications as host partner including conference handbook and website of the 2024 conference;
- Acknowledgement at the opening and closing ceremonies at DNA 2024;

- City logo to appear on the conference title slides;
- Opportunity to provide a complimentary arrival gift or brochure (City to supply);
- Recognition as Host Partner with a description and logo in the Initiative App, handbook and website;
- Logo and links to the City's website included in all HTML email marketing campaigns;
- Full page advertisement in Initiative Handbook;
- Initiative App advertisement (banner on bottom of main screen) - 640 x 90 pixels;
- One digital banner on northaust.org.au;
- Three social campaigns (blog post, LinkedIn, Twitter and Facebook) to be used at the City's discretion;
- Prominent display of one banner on the plenary stage;
- One question inclusion in conference post event survey;
- City logo included on door and venue signs;
- Double (6m by 2m) booth in a prime location within exhibition area;
- Six full registrations to the conference and networking function;
- Option to chair a concurrent session;
- Two representatives on the Program Advisory Committee; and
- Mayor invited to open the conference and address the Welcome Reception.

Assessment

The request has been evaluated against the assessment criteria in the MESAP Policy which can be found at **Attachment 2**.

In brief, the evaluation determined that the proposal:

1. Aligns with the City's strategies and plans and aligns with the MESAP Policy to attract conferences to the region, support local business and support the development of new industries by allowing thought leaders to gather and share information;
2. Would provide good economic benefit with most of the event budget spend being with local businesses, with an estimated delegate spend of \$497,000 and direct local conference expenditure of \$305,000;
3. Would directly support activation of the City Centre;
4. Will not have an adverse environmental impact;
5. Will provide good branding and marketing benefits to the City and promotion of the region to a broad audience of participants; and
6. Is unlikely to experience any issues with delivery.

The organisation and delivery of the conference is proposed to be managed by AST Management Pty Ltd with minimal resourcing input required by the City. The City is currently working on delivery of both the 2023 Organisation for Economic Co-operation and Development (OECD) Meeting of Mining Regions and Cities, and 2023 National Economic Development Conference (NEDC). The sponsorship cost for DNA is similar to the net cost to the City organising and hosting each of these conferences, with the benefit that DNA will not require significant City resources for organisation and delivery of the event.

Administration has considered the sponsorship and is of the view that the branding, promotion, and networking benefits provided through the Host City Partner sponsorship for the 2024 Developing Northern Australia Conference provides good value for money. The sponsorship will deliver economic benefit for local business, will result in minimal impact to City resources for delivery, and with the sponsorship expense being broadly aligned to delivery costs of both NEDC and OECD conferences. It is therefore recommended that the City accept the invitation for the Host City Partner sponsorship package.

Sponsorship Request

Organisation Name	Project Name	Project	Project Total	Requested Amount	Recommended Amount
AST Management Pty Ltd	2024 Developing Northern Australia Conference	Conference to discuss economic growth, investment, development and sustainability for Northern Australia.	\$305,275	\$142,000 (excl. GST)	\$142,000 (excl. GST)

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of low significance in terms of social issues and economic issues as the MESAP Policy anticipates funding assistance for major events.

STATUTORY IMPLICATIONS

There are no statutory implications.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place with relevant internal departments.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

The City’s MESAP Policy applies.

FINANCIAL IMPLICATIONS

Funding for DNA Conference has been included in the draft 2023/24 Budget. If Council approve funding other than the Officer’s recommendation an adjustment to the budget will be required.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	2.a.2.1	Investment Attraction and Diversification
Projects/Actions:	2.a.2.1.21.4	Deliver Major Events Sponsorship and Attraction Program (MESAP)

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	Low	Nil.
Financial	Low	Low financial risk of the City providing funding to events that are not able to be delivered or are delivered to an inadequate standard. Risk will be managed through funding agreement.
Service Interruption	N/A	Nil.
Environment	Low	Low environmental risk as the event will be held at the Red Earth Arts Precinct, with no foreseeable impact on natural environment and no residential noise impact.

Category	Risk level	Comments
Reputation	Low	Low reputation risk of the City providing funding to events that are not able to be delivered or are delivered to an inadequate standard. Risk will be managed through funding agreement.
Compliance	Low	Low compliance risk of sponsorship not being provided to the agreed standard. Risk will be managed through funding agreement. The City will work with AST to ensure the sponsorship is acquitted to a satisfactory standard.

IMPACT ON CAPACITY

The capacity to deliver the recommendation will be met through the City's existing operational resources.

RELEVANT PRECEDENTS

Council has endorsed proposals under the MESAP Policy since 2017 as follows:

Year	Name	Total Funding Awarded (excl. GST)
2017/2018	Brew & the Moo	\$100,000
2018/2019	Australian Performing Arts Conference	\$100,000

	Pilbara Summit 2023	\$20,000
	The Karijini Experience	\$10,000

The City's sponsorship of the 2019 DNA Conference through MESAP resulted in:

- 361 Delegates attending with 44% travelling from interstate;
- 75% of all suppliers engaged for event delivery were local Karratha businesses who shared in \$204,162 of local spend;
- Over 740 nights of accommodation were booked with local business with a total estimated spend of \$203,158; and
- An estimated \$139,506 of visitor spend in the local economy.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 3

That Council by REFUSE sponsorship funding to AST Management Pty Ltd.

CONCLUSION

AST Management Pty Ltd has requested Sponsorship of \$142,000 for the delivery of the 2024 Developing Northern Australia Conference through the City's MESAP Program. The request has been evaluated against the City's MESAP Policy and is considered to meet the requirements of this Policy. It is recommended that the application be supported for the full amount of funding.

13 STRATEGIC PROJECTS & INFRASTRUCTURE

13.1 DISPOSAL OF SCRAP METAL AND LEAD ACID BATTERIES

PURPOSE

For Council to consider calling tenders for the disposal of scrap metal and lead acid batteries from the 7 Mile Waste Facility.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155210
MOVED : Cr Gillam
SECONDED : Cr Miller

That Council APPROVE the calling of tenders for disposal of scrap metal and lead acid batteries.

CARRIED 11/0

FOR : Cr Long, Cr Nunn, Cr Bailey, Cr Bertling, Cr Furlong, Cr Gillam, Cr Harris, Cr McNaught, Cr Miller, Cr Scott, Cr Waterstrom Muller
AGAINST : Nil

BACKGROUND

Resource recovery and minimising waste to landfill is a key strategy in operating the City's 7 Mile Waste Facility. For a period now, the City's Waste Operations have separated the scrap metal on site for resource recovery purposes.

Waste, once accepted by the City, is considered property for the purposes of the *Local Government Act 1995* (the Act). The Chief Executive Officer (CEO) has delegation to dispose of property other than an interest in land and where the property is not on the City's asset register up to the value of \$500,000 excluding GST. Waste including scrap metal and lead acid batteries received at the 7 Mile Waste Facility is considered property not on the City's Asset register. In accordance with Act and associated regulations, Council may only dispose of property by public auction, calling tenders or through private treaty. The City has held a contract with Sims Group Australia Holdings Pty Ltd (Sims) for the disposal of scrap metal and lead acid batteries since February 2021 with the final one-year extension option expiring in January 2023.

DISCUSSION

Scrap metal prices are subject to market fluctuation and to maximise potential revenues the previous contract included formulas for the calculation of tonnage prices based on a fixed

percentage of the quarterly spot metal prices published in the TEX Report and London Metals Exchange (LME). During the previous contract term these values increased significantly from \$113 to \$169 per tonne for scrap metal and \$306 to \$398 per tonne for lead acid batteries.

The City collects approximately 584.35 tonnes of scrap steel per annum. Together with the scrap steel and batteries, these products have a residual value and recycling potential of \$185,000 per annum.

In order to collect scrap metal a contractor is required to:

- Provide personal, machinery and transport to sort heavy and light gauge steel, and car bodies;
- Process light gauge and scrap cars into bales; and
- Load and remove bales, heavy gauge, and heavy oversize from site, via 7 Mile weigh bridge.

On completion of this process, the metal storage area is to be cleaned via machine and magnet to elevate any damage to vehicles and machinery. The contractor must also have the relevant Western Australian licenced and registered vehicle for the transport of Lead Acid Batteries, Batteries are Class 9, Miscellaneous Dangerous Goods. This process typically occurs on a six-monthly basis when sufficient volume has been collected to warrant removal from 7 Mile Waste facility.

Based on the investment required by any contractor, Officers recommend calling tenders as the most appropriate way of disposing of property and further propose a three-year term contract with two (2) one-year extensions to provide the City with a longer-term contractual arrangement.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision-Making Policy, this matter is considered to be of low significance in terms of environmental and economic issues.

STATUTORY IMPLICATIONS

Tenders would be advertised in accordance with the requirements of Disposal of Property under *Section 3.58 of the Local Government Act 1995*.

Further, *Section 55 of the Waste Avoidance and Resource Recovery Act 2007* states that all waste received by a local government;

- a) becomes the property of the local government; and
- b) may be destroyed, sold or otherwise disposed of by the local government.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

The City has received income of approximately \$350,000 for the disposal of scrap metal and lead acid batteries during the previous two financial years. Subject to commodity prices and volumes collected, the City may realise income of up to \$700,000 over a five-year term.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services: 3.c.2.3 Resource Recovery
 Projects/Actions: 3.c.2.3.19.3 Support Implementation of the State Waste Strategy 2030

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	Possible increased income with trend in commodity price.
Service Interruption	N/A	Nil
Environment	Low	Gases are removed from refrigeration units including air conditioners before being removed from site. All scrap metal and lead acid batteries are subsequently processed and recycled.
Reputation	Low	Promotes reputation as a sustainable Council.
Compliance	Low	Calling tenders complies with the legislative requirements to dispose of property

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer’s recommendation.

RELEVANT PRECEDENTS

Previous tender DOP01-20/21 Disposal of Scrap Metal and Lead Acid Batteries expired January 2023.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council NOT to call tenders for the disposal of scrap metal and lead acid batteries at this time.

Option 3

That Council RESOLVE to call tenders for the disposal of scrap metal and lead acid batteries, through public auction.

CONCLUSION

The City receives significant volumes of scrap metal and lead acid batteries at 7 Mile Waste Facility. These products are considered property of the local government and have a residual value. In order to dispose of these waste streams officers, propose, Option 1 to call for tenders for the Disposal of Scrap Metal and Lead Acid Batteries for a three-year term contract with two (2) one-year extensions.

OFFICER’S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155212
MOVED : Cr Nunn
SECONDED : Cr McNaught

That Council:

- 1. ACCEPT the tender submitted by BCP Contractors Pty Ltd, ABN 24 602 859 405 as the most advantageous tender to form a contract, based on the assessment of the compliance criteria, qualitative criteria and pricing structures offered under RFT 09-22/23 Hillview and Balmoral Roads Reconstruction; and**
- 2. EXECUTE a contract with BCP Contractors Pty Ltd for the delivery of the Separable Portions One, Two, Three and Four and all associated works as contained in this report, SUBJECT to any variations of a minor nature.**

CARRIED 11/0

FOR : Cr Long, Cr Nunn, Cr Bailey, Cr Bertling, Cr Furlong, Cr Gillam, Cr Harris, Cr McNaught, Cr Miller, Cr Scott, Cr Waterstrom Muller

BACKGROUND

Hillview and Balmoral Roads are both Local Distributor roads connecting businesses, community, and emergency services within the City of Karratha to the key Regional Distributor, Dampier Road, and the District Distributor, Bayview Road. The two roadways have high daily volumes of traffic, however, together with the intersection roundabout they critically need to comply with current road standards for accommodating larger articulated haulage vehicles.

The proposed Hillview and Balmoral Roads reconstruction project will deliver widening and pavement reconstruction of Hillview and Balmoral Roads, including the intersection roundabout, street lighting, and culvert and drainage upgrades to meet the safety requirements of Austroads and Main Roads WA standards. These upgrades will also increase the productivity and safety of heavy vehicle operations. The completed works will ensure better functionality and longevity for local businesses and road users in line with the revitalisation of the City Centre and represents the final remaining works associated with the Karratha City Centre Infrastructure Works progressively delivered over the past decade. The work also includes soft and hard landscaping improvements to align with its status and location within the City Centre.

At its meeting of 12 December 2022, Council resolved to call tenders for Hillview and Balmoral Roads Reconstruction with four (4) separable portions included, to enable potential value management.

The works includes, but are not limited to:

- a) Road widening and resurfacing, including drainage upgrades to meet safety requirements and standards under Austroads and Main Roads WA standards for RAV 2A roads;
- b) Realise a minimum design life of 25 years for the infrastructure, given it is a crucial City asset;
- c) Relocation of some thirteen light poles to improved street lighting following the Horizon Power standards;
- d) Existing water main redirection and upgrade following the Water Corporation standards;
- e) Existing culvert and drainage upgrade;
- f) Removal of the existing traffic management devices and an upgrade of all line marking and associated wayfinding and signage; and
- g) Verge landscaping improvements in line with its status and location within the City Centre.

The project was tendered with separable portions to provide value management options and ensure the City could stage the overall works depending on the tender outcome.

The four (4) Separable Portions are as described below:

- a) Separable Portion One (Balmoral Road and Intersection Roundabout)
Consists of the civil earthworks, vehicle cross over and culverts, road base, asphaltting, kerbing, concrete shared path and pram ramps, and associated traffic management, wayfinding and line marking, and utility upgrades to relocate street lighting by Horizon power and the redirecting of the existing Water Corporation assets for the construction of the primary Distributor Road together with the local road connections and the roundabout intersection at Hillview Road.

The City's Public Art on the island of the Hillview and Balmoral Roads intersection roundabout will be decommissioned to accommodate the work. The Public Artwork is not listed on the City's Asset Register.

b) Separable Portion Two (Hillview Road East)

Consists of the civil earthworks, vehicle cross over and culverts, road base, asphaltting, kerbing, concrete shared path and pram ramps, and associated traffic management, wayfinding and line marking, and utility upgrades to relocate and improve Horizon Power street lighting and the redirecting of the existing Water Corporation assets for the construction of the secondary road together with the local road connections and to the east of the roundabout intersection at Balmoral Road.

c) Separable Portion Three (Hillview Road West)

Consists of the civil earthworks, vehicle cross over and culverts, road base, asphaltting, kerbing, concrete shared path and pram ramps, and associated traffic management, wayfinding and line marking, and utility upgrades to relocate and improve Horizon Power street lighting and the redirecting of the existing Water Corporation assets for the construction of the secondary road together with the local road connections and to the west of the roundabout intersection at Balmoral Road.

d) Separable Portion Four (Landscape)

Verge landscaping improvements in line with its status and location extending along the eastern and western sides of Balmoral Road, the northern and southern side of the secondary Hillview Road, including feature landscaping to the new intersection roundabout at Balmoral Road and provide irrigation and reticulation network and to align with the technical design documents.

Tenders were advertised on 26 April 2023 and closed 7 June 2023.

Three (3) tenders were received by the closing date from:

- BCP Contractors Pty Ltd
- CORPS Earthmoving Pty Ltd
- Norwest Sand & Gravel Pty Ltd

The tenders were evaluated by a three (3) person panel comprising of:

- Manager Infrastructure Projects
- Project Manager
- Technical Services Coordinator

The tenders were first assessed for compliance with the tender documents. The tenders were then assessed against the qualitative criteria that were weighted.

The criteria and associated weightings were:

Criteria	Weighting
Price	50%
Methodology	20%
Capability to Deliver	15%
Relevant Experience	10%
Sustainability	5%

The Regional Price Preference Policy was applied to two (2) local tenderers.

A copy of the Evaluation Report is contained within the confidential section of the agenda.

The Director Strategic Projects and Infrastructure and the Chief Executive Officer have endorsed the recommendation.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of moderate significance in terms of social issues and economic issues.

STATUTORY IMPLICATIONS

Section 3.57 of the *Local Government Act 1995* and associated regulations are applicable.

COUNCILLOR/OFFICER CONSULTATION

Council was consulted in December 2022 to invite tenders for the Hillview and Balmoral Roads Reconstruction.

Officers have undertaken consultation across all Departments, to draft the tender documents and update the accumulated project knowledge.

COMMUNITY CONSULTATION

During the design phase, Officers and the Consultants had limited consultation with key stakeholders; however, they included the Karratha International Hotel and the Karratha Youth Hub due to specific impacts associated with the proposed work.

A detailed project communication plan will be prepared to identify all key stakeholders and implement strategies to inform each stakeholder of the works and any impacts on traffic movement. Further community and stakeholder consultation will occur following Council's determination and prior to the Contractor's mobilisation to ensure that the businesses, emergency services and all neighbouring properties are consulted around the traffic management strategy for the project.

Current consultation with the Ngarluma Aboriginal Corporation (NAC) is also ongoing to review any potential heritage impacts and monitor the changes in legislation.

The Contractor will also be responsible for establishing a detailed communication plan to provide regular updates to stakeholders, including businesses and emergency services.

POLICY IMPLICATIONS

Council Policies CG12 - Purchasing, CG11 - Regional Price Preference and CG12 - Public Art Policy is applicable to this matter.

FINANCIAL IMPLICATIONS

Council had allocated \$3,127,147 (excluding GST) in its Long-Term Financial Plan and in its original 22/23 Budget to this project. The historical figures used for the estimates were based on rates from projects prior to the 22/ 23 Budget.

In March 2023, following an earlier tendering of the Coolawanyah Road Stage Three works, a revised estimate of \$5,225,000 (excluding GST) was prepared the civil and infrastructure works only, excluding the landscaping from the scope of work. On this basis, \$5,225,000 (excluding GST), is included in the draft 23/24 Budget. Noting the increased estimates may not include all elements such as landscaping, Officers then structured the tender to include Separable Portions to enable value management if required.

The preferred tender’s submission is within the proposed budget allocation to deliver all works associated including Separable Portions One to Four. Noting the condition of the current road, this being the final major civil works associated with the Karratha City Centre infrastructure Works and the tendered outcome, Officers recommend all Separable portions of the works be progressed.

The City has secured grant funding of \$2,084,000 (excluding GST) through the Main Roads Western Australia Regional Road Group Funding to deliver this project.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025.

In particular, the Operational Plan 2022-2023 provided for this activity:

- Programs/Services: 1.a.1.1 Civil Infrastructure Works Construction and Maintenance.
- Projects/Actions: 1.a.1.1.22.1 Construction of Hillview Road and Balmoral Road Intersection in Karratha CBD (RRG Funding).

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Moderate	If reconstruction works do not proceed, maintenance costs are guaranteed to increase due to failing sealed road surfaces and poor road geometry. The project has significant external funding that is at risk should the work not proceed.
Service Interruption	Low	Should works proceed there will be an impact on road access and power provision for a period during the works. The Contractor is responsible for Management Plans development and implementation, including the Communication and Traffic Management Plan.
Environment	Low	Construction will be in accordance with all statutory and relevant standards. Noise output and dust pollution throughout construction, will be managed by the contractor. Tenders included a Sustainability criterion in the evaluation for which Tenderer are to outline initiatives their organisation uses to reduce the environmental impacts of their organisation and how those translate into day-to-day operations.

Category	Risk level	Comments
Reputation	Moderate	The safety, functionality, and condition of roads is a responsibility of Council. Council could improve the heavy vehicle experience through the enhancement of Hillview and Balmoral Roads upgrade works. Improvement in the inner-city road network is likely to deliver positive reputational impact for Council.
Compliance	Low	Detailed design documentation has been undertaken by qualified design consultants and civil engineers to ensure compliance with current and relevant standards. Tenders were called and administered in accordance with the <i>Local Government Act 1995</i> and associated regulations. Any works are expected to comply with relevant standards.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation. Management of the potential successful tenderer and future maintenance programs are afforded within existing resources.

RELEVANT PRECEDENTS

The City has previously undertaken infrastructure works including major road construction to enhance aesthetics and improve infrastructure and safety for road users, light industry and as a gateway to the City Centre, Emergency Services and the Karratha Health Campus.

The most recent major road reconstruction undertaken by the City included the Reconstruction of Coolawanyah Road Stage Three under RFT 24-21/22 awarded to Northwest Sand & Gravel Pty Ltd which commenced in May 2022 and was completed in December 2022.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS

Option 1

As per Officer's recommendation.

Option 2

That Council:

1. ACCEPT the tender submitted by BCP Contractors Pty Ltd, ABN 24 602 859 405 as the most advantageous tender to form a contract, based on the assessment of the compliance criteria, qualitative criteria and pricing structures offered under RFT 09-22/23 Hillview and Balmoral Roads Reconstruction; and
2. EXECUTE a contract with BCP Contractors Pty Ltd for the delivery of the Separable Portions _____ as contained in this report, SUBJECT to any variations of a minor nature.

Option 3

That Council:

1. REJECT all tenders under RFT 09-22/23 Hillview and Balmoral Roads Reconstruction as no tenderer offered an advantageous outcome to the City; and
2. READVERTISE the tender.

CONCLUSION

The Evaluation Panel believes that the recommended tenderer has the capacity to deliver the works to the standard expected by the City and has provided the most advantageous outcome for the project.

Should Council support the Officer's recommendation the Contract period would commence on 7 July 2023, subject to contract negotiations. The combined Separable Portions, and all associated work under the Contract is anticipated to be delivered within eight (8) months inclusive of approvals and management plans from the date of Award.

*REAP 5th Birthday - **160** Participants at Special Story Time and **65** Visitors to the Mini Museum

Red Earth Arts Precinct

Red Earth Arts Precinct:

With a total of **\$177,514** in income, May was our biggest month in the past year! High ticket sales for REAF theatre shows led to a **49%** increase in live show income.

Melbourne International Comedy Festival (MICF) proved a hit again with **\$36k** in ticket sales and **\$17K** in bar and kiosk sales. The show generated **\$18k** after royalties and show fees. Bar sales increased by **37%** thanks to the live shows.

Movie sales were down from the previous year by **75%** but this was to be expected as May 2022 saw the release of Top Gun and we finished May with 3 sell out sessions. There were no blockbusters in May 2023, so it was mostly reruns from April.

A total of **675** patrons watched **21** movies with an average of 33 patrons per session with an income of \$6720. **25** venue hires with a few large events VRA (Volunteer recognition awards), Rio Tinto service dinner, KDCCI and Avair Mutual Trust AGM. Some events were postponed last May due to Covid rules within some organisations.

Youth Services

The Base and Youth Shed:

The Youth Shed has seen a consistent number of youths attend the service. Due to staff shortage, we had to close 3 days of the month. With programming back up and running we are seeing much more engagement, a decrease in negative behaviours and a lot of new faces attend the service.

Liveability

Security Subsidy:

16 applications this month which is similar statistics to May 2022, however, we have noted a slight increase on security equipment expenditure in comparison.

Meet the Street:

2 Meet the Street parties this month, which is **1** more than this time last year. Anticipating an increase for the next coming winter months. Noticing people are not using the full \$200 when hosting.

Recreation Facilities

KLP

Aquatic **3%** increase – there have been a few aqua run bookings. Staff have been vigilant in re-educating patrons to scan at every entry.

Fitness **25%** decrease – seasonal change influences numbers – its cooler and people are enjoying the outdoors. Staffing challenges during this month with staff being away unwell.

Other functions **36%** increase – large scale events booked this month included Reach Us Quiz Night, Epic Career Expo, Gymnastics mock comp days and Dampier Basketball commencing this month.

Total Visits **20%** increase as per above

Memberships **16%** increase – increase in number of corporate membership sign-ups

WRP

Aquatic **50%** decrease – pool was closed for approximately 1 week for pool rectification works. Seasonal change and cooler pool temperatures impacts on pool usage
 Reintroduced a mums and bubs class which runs at the same time as our other classes so these mums can bring their babies to class with them which will hopefully continue to build memberships.

Indoor Play Centre

Indoor Play Centre:

Attendance has dropped from previous May 2022 period, due to fewer party hires and cooler weather with parents choosing outdoor playgrounds.

ADVISORY GROUP MEETINGS

Arts Development and Events Advisory meeting was held 18 May. Items discussed were as follows:

- REAF 2023 Wrap up & 2024 Look Forward
- Cossack Art Awards Update
- Reconciliation Week 2023

The next Arts Development Events Advisory group meeting is scheduled for August 2023.

- The Youth Advisory Group was held 24 May 2023. Items discussed were as follows:
 - Library Facilities – Youth space, books, and Resources
 - Youth Facilities – Perception, programs, activities
 - OECD meeting of Mining Regions and Cities
 - Youth Week Feedback
 - Red Earth Arts Festival Feedback

The next Youth Advisory Group meeting date to be confirmed.
