

# POSITION DESCRIPTION

<b>Position Title:</b>	<b>Airport Reporting Officer</b>
<b>Position Number:</b>	<b>10794</b>
<b>Directorate:</b>	<b>Strategic Projects and Infrastructure</b>
<b>Reports to:</b>	<b>Airport Operations Coordinator</b>
<b>Department:</b>	<b>Airport</b>
<b>Agreement:</b>	<b>City of Karratha Industrial Agreement 2023</b>
<b>Classification:</b>	<b>Level 4</b>

## 1. POSITION OVERVIEW

Reporting to the Airport Operations Coordinator, this role is responsible for maintaining compliance, safety and enforcement of Civil Aviation Safety Regulations (CASR) Part 139, associated Aviation legislation and other Local Government Laws to ensure the protection of the airport infrastructure and safety of all airport users. Additional responsibilities include assisting development of airport operational procedures and Safety Management Systems.

### 1.1. Position Objectives

- Under the Civil Aviation Safety Authority (CASA) MOS 139 regulations perform the role of the Aerodrome Reporting Officer and Works Safety Officer.
- Liaise with City staff, airport tenants and operators on matters relating to safety, operational and compliance affecting the airport.
- Utilise specialist equipment including but not limited to line marking equipment, elevated work platforms, skid steer loader, tractor, light trucks to complete allocated works programs and undertaking minor repairs of airport pavements, runways, markers, line markings, lighting, drains, wind indicators, visual slope indicator systems, fencing and other critical systems as per CASA (MOS) 139 regulations.
- Assist in the coordination and processing of applications and infringements related to airside driving, Aviation Security ID checks and vehicle permits.
- Maintain airport infrastructure including but not limited to runways, aprons, taxiways, emergency generator, airfield lighting systems, sewerage and hydraulic systems, HV/LV systems and the baggage handling system.
- Utilise specialist equipment like pyrotechnics and firearms to control wildlife at the airport.
- Assist with emergency management at the airport.

## 2. DUTIES & RESPONSIBILITIES

### 2.1. Legislative Duties

- Serve as an Authorised Officer under the CASA (MOS) 139 regulation.
- Perform airport reporting duties which includes boundary patrols for security checks, serviceability inspections, report and investigate safety breaches and enforce access control to security restricted areas.
- Administer the provision of appropriate safety and security related regulations, rules, orders and Local Laws.
- Perform Works Safety Officer duties for all works being done on the airside.
- Be responsible for the safety of all City staff and contractors engaged on works at the airport.
- Required to be the primary airside contact for Karratha Airport during operational hours and on call during no operational hours.
- Maintain radio communication with the Airservices tower.
- Maintain all airside markers and markings.

- Assist airport management in coordinating implementation of regulation, standards, processes and procedures in relation to the management of airside operations, safety and security.
- Report and maintain quality assurance systems, reporting procedures, quality management procedures, complaint management systems, incident reporting and safety management systems.
- Carry out daily, weekly, monthly, 3 monthly, 6 monthly and annual inspections.
- Assist in the coordination and processing of applications and infringements related to airside driving, Aviation Security ID checks and vehicle permits.
- Control and enforcement of vehicle and pedestrian movement on the airside including activity at all airside gates.
- Monitor the separation of screened and unscreened passengers on the aprons.
- Maintain safety zones for passengers and staff on aprons with ongoing aircraft activity.
- Report all airport hazards, accidents and incidents including any near-miss.
- Undertake wildlife management at the airport including dispersal of birds, bird counts and investigate and report on wildlife hazards.
- Engage in the safe use of firearms for the destruction of animals.

## **2.2. Emergency Management**

- Primary contact and first responder for any incidents or accidents at the airport.
- During emergencies assist external support organisations like ARFFS, Police, Fire Brigade, SES and DFERS with accurate information, advice and support.
- Assist in Aerodrome Emergency exercises.

## **2.3. General Duties**

- Assist with the Airport's maintenance activities as required.
- Maintain and clean all apron areas of all oil and fuel spills to prevent further damage.
- Maintain terminal security – open terminal and lock up at appropriate times.
- Operate emergency power systems, back up pumps and supply equipment as required.
- Assist rangers with parking control at the Airport.
- Assist with landside issues in relation to car parks and services (i.e. water, sewage, power).
- Assist with mandated meetings such as ramp, wildlife, security & SMS as required.
- Provide customer service support for all users of the airports in accordance with the City's values.
- Liaise with airport tenants and operators on compliance, daily operations, and security issues.
- Implement maintenance programs to ensure the integrity of airport assets and all plant and fleet.

## **2.4. Health & Safety**

Employees are responsible for ensuring that:

- All tasks are undertaken with the full understanding of the officer's obligation to take reasonable care to ensure personal safety and health at work and that of other persons in the workplace.
- They comply with all City policies and procedures relating to their health and safety.
- Utilise the City's procedure for WHS Communication, Consultation and Issue Resolution.
- They will not misuse or damage any equipment provided in the interests of health or safety.
- Observe all safe working practices as directed by the supervisor.
- Use and maintain protective equipment correctly.
- Report ALL accidents and incidents (including near miss) arising in the course of work to direct line manager / supervisor ASAP and then complete the Accident Incident Report form as soon as reasonably practicable within 24 hours where possible.

- Other roles and responsibilities outlined in the WHS Management at the City of Karratha: Roles and Responsibilities.
