## **DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE) (updated 13 March 2000)**

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the *Local Government Act 1995*.

### **NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)**

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measure in money terms. There are exceptions in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
  - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the *Local Government Act*; or
  - 6.2 Where the Minister allows the Councillor to participate under s5.69 (3) of the *Local Government Act*, with or without conditions.

### **INTERESTS AFFECTING IMPARTIALITY**

**DEFINITION:** *An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.*

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

### **IMPACT OF AN IMPARTIALITY CLOSURE**

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

#### OFFICER'S RECOMMENDATION

#### BACKGROUND

The OAG subcontracted RSM Australia to undertake the annual financial audit for the City for the 2023/24 financial year. The purpose of the audit is to express an opinion on the financial report and the internal controls applied by the City to ensure its accuracy.

Financial reports were presented to the auditors on 30 September 2024. RSM Australia audit staff subsequently attended on site from 14-25 October 2024 to commence their field work.

On 10 December 2024, the City received the draft management reports from RSM Australia identifying findings from the Financial Audit and the IT General Controls audit. A meeting was held on 12 December 2024 with the Audit and Organisational Risk Committee and representatives from the OAG and RSM Australia to discuss the audit and findings.

#### Audit Opinion

The OAG's provides an unqualified opinion on their audit of the City's finances for the 2023/24 period.

#### Management Reports and Findings

The auditors prepared a confidential management report that identified deficiencies in internal controls that require management attention. Two (2) minor deficiencies were noted against the annual financial report regarding a lack of evidence of review of valuations and payroll, and no related party disclosure from a retired councillor. Three (3) moderate risks were noted against the IT Audit and one unresolved from a previous year.

The Annual Financial Report and the Auditor's Opinion for the period ending 30 June 2024, if accepted by Council, will be put forward to the Annual Electors Meeting within the next 2 months.

#### **LEVEL OF SIGNIFICANCE**

In accordance with Council Policy *CG-8 Significant Decision Making Policy*, this matter is considered to be of moderate significance in terms of Council's ability to perform its role.

**CONCLUSION**

RSM Australia have provided management reports in relation to the financial audit and in relation to the information technology general controls that are in operation at the City.

RSM Australia's Management Report for the Financial Audit highlighted two minor financial risks in relation to a lack of evidence of review of reports and no disclosure of a related party disclosure of a retired councillor. Processes have been put in place to ensure that these gaps are avoided in the future. The Management Report for the Information Technology General Controls Audit identifies three moderate risks. Actions to appropriately manage these risks will be implemented as soon as practicable.
