

# WRP Multi-purpose Courts Shade – Call for Tenders

---

**Michael Bunting, Manager City Projects**

Projects & Infrastructure

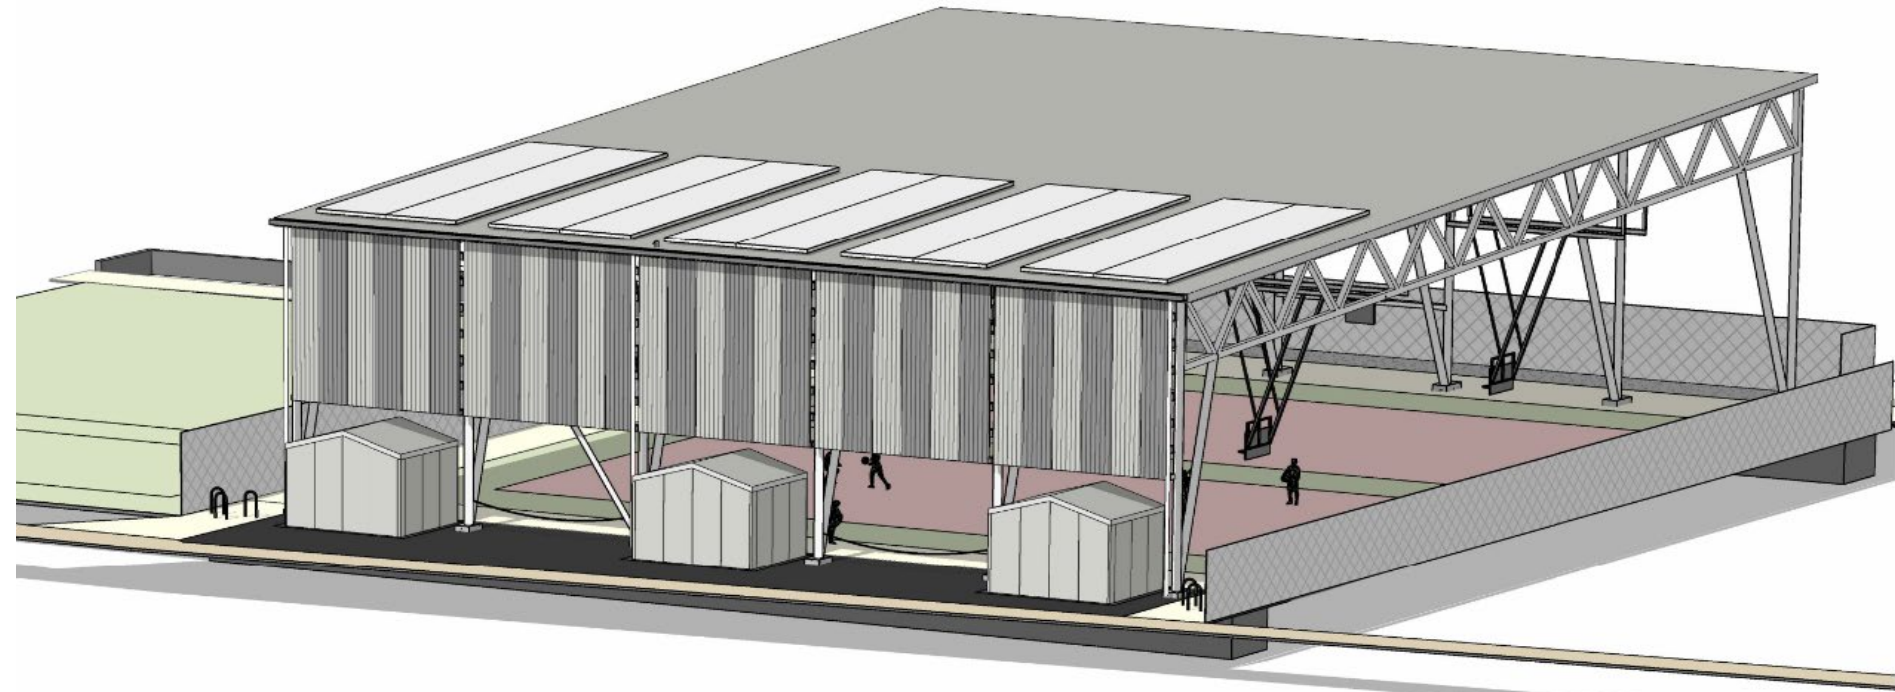

July 2025

# Project Objectives

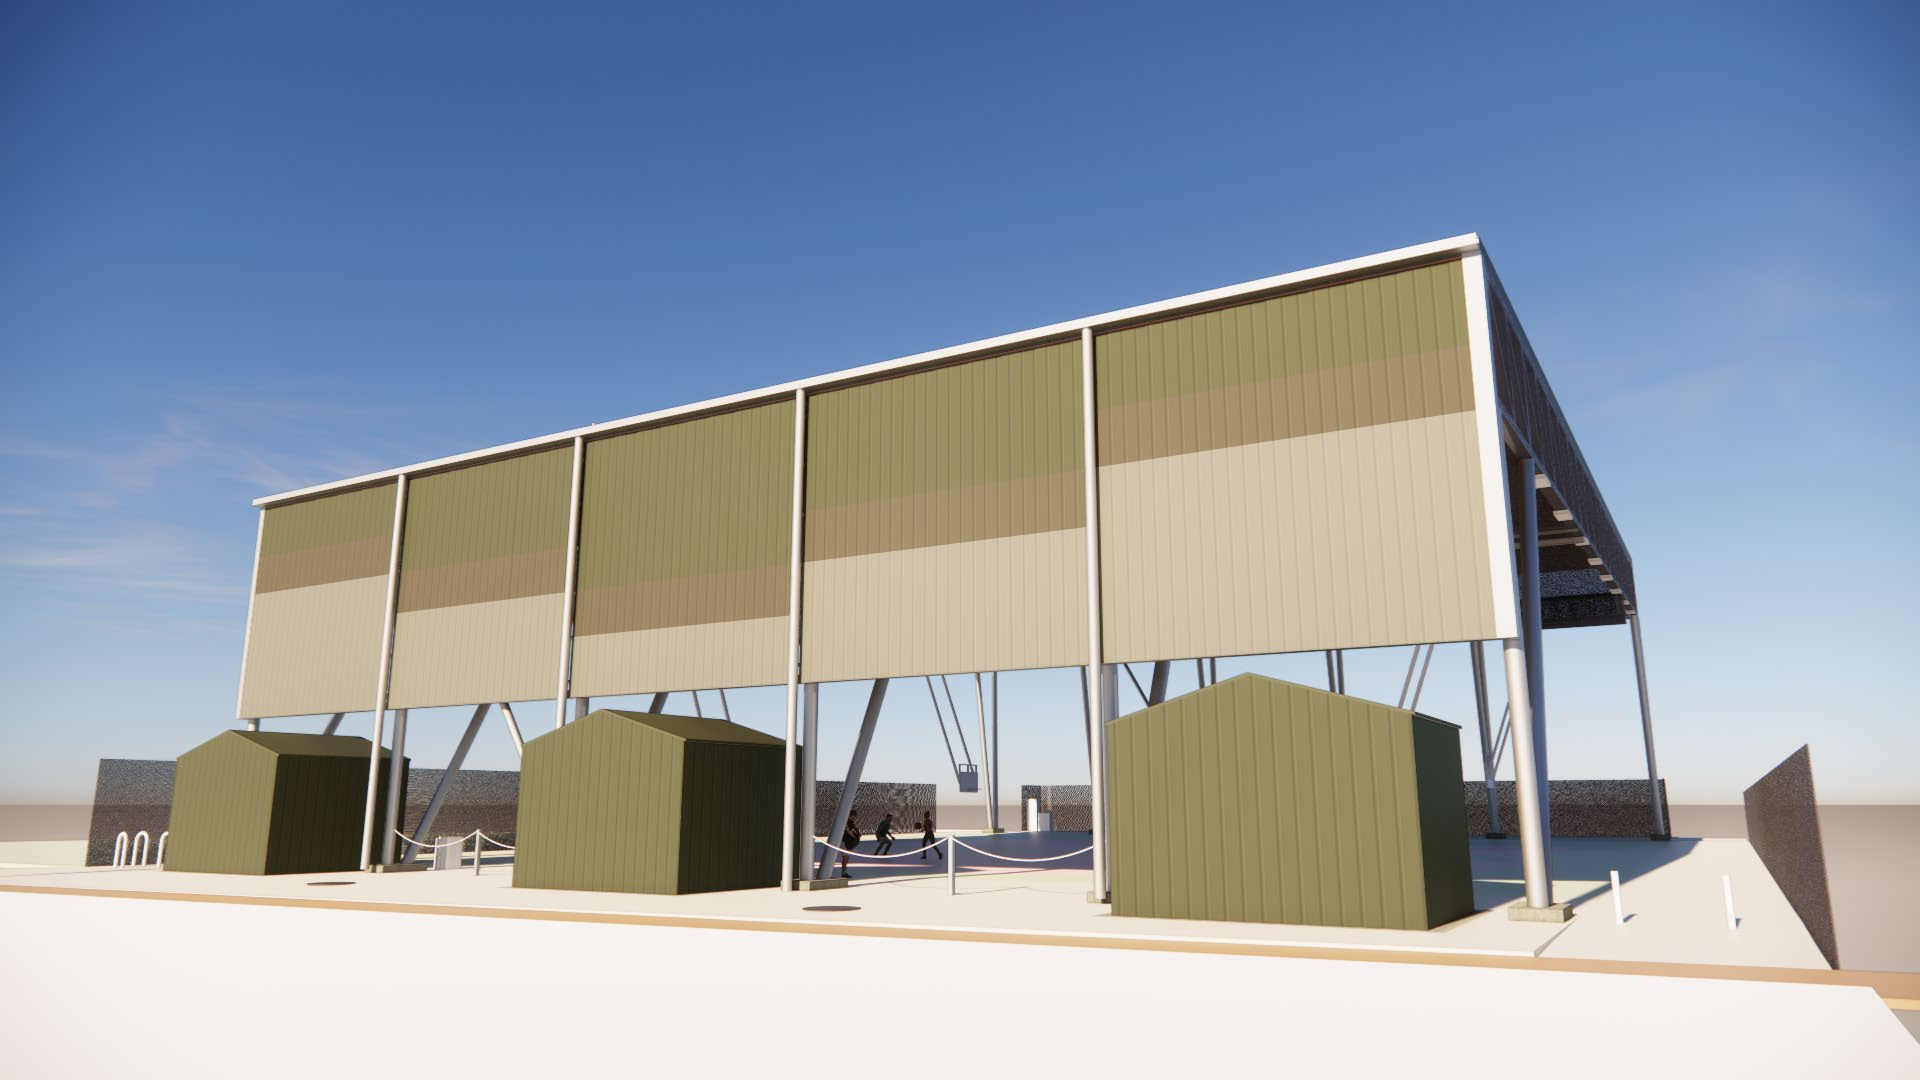

Identified through the feasibility study, consultation with facility management, key facility users and local community

- Promote optimal functionality
- Accommodate competitive, social, and recreational usage
- Support increased use particularly during daytime and summer months
- Provide increased storage for facility operations and users groups
- Provide a vehicular access to the facility to enable required maintenance

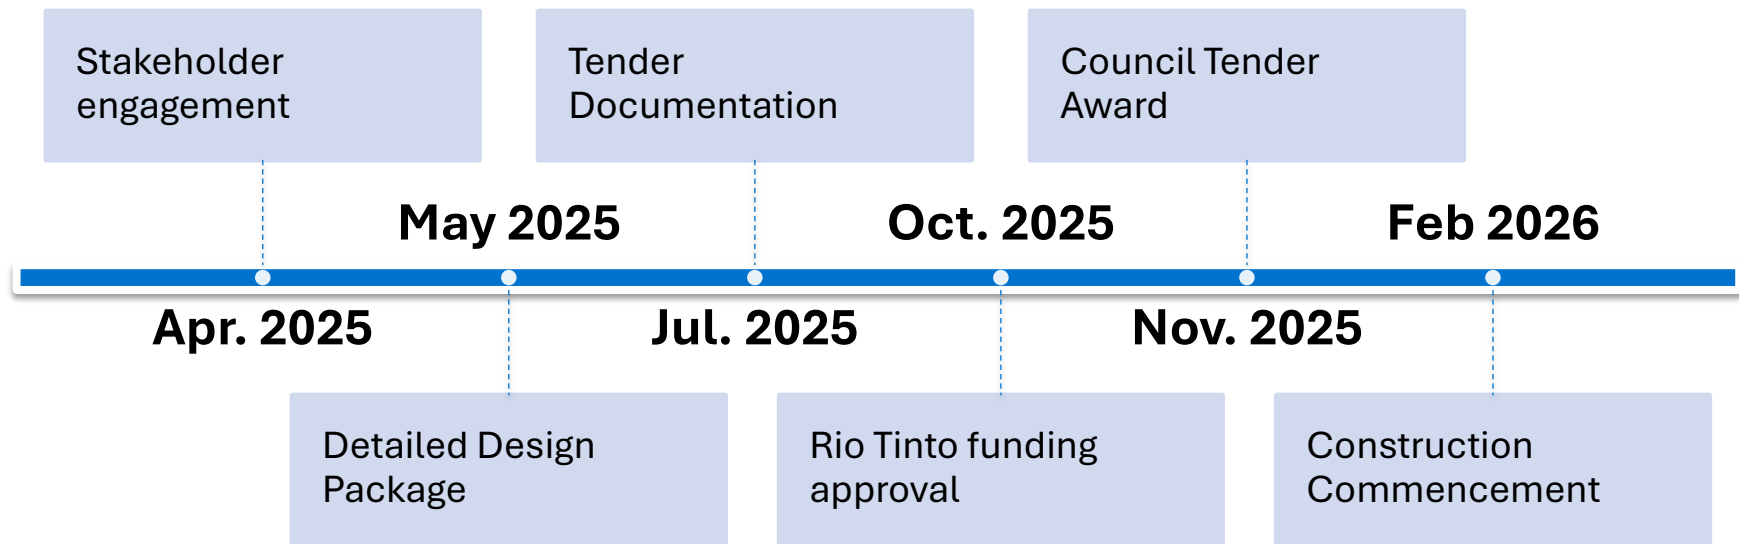

# Design
