Subject: ICR185726 - RV.10 - Rate Increase

CFO - COK

I am sending this email to object to any rate increase for my house / Land which has significantly devalued over the last few years. When house rentals were at an all time high, rates were justified, but when rentals dropped by over 50%, we the rate payers did not receive any rate cuts to match the sudden decline. When one calculates the where the rates should be at by using the current formula, they are greatly over priced.

My current rental rate for my property is \$350.00.

Kind Regards
