Subject: ICR186084 - RV.10 - Opposition to increase in rates

To Whom It May Concern,

I wish to voice my opposition to the increase in rates by the CoK. Not only does this show a complete lack of understanding of the financial difficulties people are experiencing but it is arrogant in the extreme to think that this is acceptable.

Adding to this issue is the announcement of the desire of council to participate in the building of a four-star hotel, I will be very interested to hear the view of the Minister for Local Government on the current state of affairs and I have every intension of bringing this situation to his attention.

I sincerely hope that common sense prevails and both of these issues are reconsidered.
