Subject: ICR186059 - RV.10 - Rate increase

I am writing to voice my dismay about the possible rate increase, this just seems out of order to say the least!

We bought our property for \$235,000 in 2003 and granted during that time property values increased as did the rates, now our property is valued at \$150,000, quite a drop.

I am hopeful that the council will see that we are not the only ones who are struggling and reconsider this rate rise.
