What if you see illegal camping?

Please contact Ranger Services. You may only need to supply a vehicle registration number, make and model and location of the camper. Your information will assist the City in following up.

www.karratha.wa.gov.au

"Our aim is to enhance the safety and security of our community through public education, liaison, awareness and if required enforcement."

There are a number of 24hr rest stops within WA and the above map shows two rest stops near the Cities boundaries. These areas are not intended for camping but are 24hr rest stops only. For further information visit www.mainroads.wa.gov.au

DEC 2011

City of Karratha

Camping in the City of Karratha

RANGER SERVICES

CAMPING RESTRICTIONS

Camping includes sleeping in a tent or vehicle. There is generally **NO FREE CAMPING** in the City. This includes town sites, car parks, coastal areas and bushland. It is also an offence to camp on private land, without consent of the land owner.

Camping is not permitted at Balla Balla, Miaree Pool, Hearson's Cove or any public area unless it is a caravan park or designated camping location.

Any Person found camping illegally will be issued with an on the spot $100 infringement notice and will be moved on.

PROTECT THE ENVIRONMENT

With any uncontrolled camping come potential damage and the pollution of the environment. There is also the additional risk of wildfires starting in remote or inaccessible areas.

Help protect our environment by

- Keeping off fragile dune areas.
- Staying on any existing footpaths or walk trails.
- Conserve fragile ecosystems and minimise disease spread by not removing plant material.
- Please only camp in designated camping areas.

RUBBISH

Rubbish bins are provided at most locations within the City. Where there are no bins, take all rubbish with you including cigarette butts.

If a bin is full, you should not leave your rubbish beside the bin, take it with you. Make sure bin lids are closed. This stops wildlife scattering litter.

Report rubbish dumpers to the City Rangers

ACCOMMODATION

Book ahead and avoid being caught without a place to stay. Try these local providers.
