

Cleanaway commences general waste and recycling services from Monday 6 February 2017. Please refer to the schedule below for your collection days:

DAY	WEEK 1	WEEK 2
MONDAY	Bulgarra 1 (West of Karratha Primary School)	Bulgarra 2
TUESDAY	Pegs Creek 1 & Dampier	Pegs Creek 2 and Wickham South (South of Wickham Drive)
WEDNESDAY	Millars Well	Wickham (North of Wickham Drive) & Point Samson
THURSDAY	Nickol 1 (West of Bayview Rd formerly Balmoral Rd & South of Tambrey)	Nickol 2 (East of Bayview Rd formerly Balmoral Rd & North of Tambrey Drive)
FRIDAY	Baynton, Madigan (West of Baynton Drive)	Baynton (East of Baynton Drive), Roebourne & Cheeditha

Residents of Carratha, Dampier, Roebourne, Wickham, Point Samson and Cheeditha will receive a second bin for recycling from mid January 2017. Your recycling bin will be green with a yellow lid, and the bin will be serviced every two weeks. Your recycling will be collected fortnightly on the same day as your weekly general waste collection. All current residential collection days will remain the same other than Point Samson, which will be collected on Wednesday and Roebourne & Cheeditha which will be collected on Fridays only.

Local people Local service

Your general waste and recycling services from Monday 6th February 2017

Cleanaway is proud to be partnering with the City of Karratha to provide your general waste and recycling services.

With your help, we can improve the City of Karratha's waste management through recycling – working together to make a sustainable future possible.

What will happen with my recycling?

It will be processed locally in Karratha, where we'll remove as much contaminated waste as we can. We will also remove glass, which will be sent to local recyclers. What's left will then be transported to Perth where a purpose built Material Recycling Facility will ensure the maximum amount of product can be safely recycled – reducing the amount of waste going to landfill. The amount of waste diverted from landfill relies on all of us making sure we place the right recyclable items in the recycling bin.

What can I recycle?

Glass bottles & jars
(rinse and remove lids)

No
nappies

- Do not overfill your bin (50kg max weight)
- Do not place items alongside bin
- Keep the lid closed to prevent litter
- Wash your bin regularly to prevent odours
- Retrieve your bin from the kerb side as soon as possible after collection to avoid bins being damaged, lost or stolen
- On collection day ensure bins are at least 50cm apart from other bins and objects
- On collection day place your bin with the front of the bin facing the kerb
- Do not place bins behind parked cars
