Dampier Library – 12-patron limit

Wickham Library – 12-patron limit

Therefore, entry will be first come first served. There may be occasions that patrons may have limited time so that all patrons have an equal opportunity to use the library. Note that children (including babies) are counted as patrons.

3. Can I borrow items?

Yes, you can borrow items available for loan directly from the shelves. Anyone who has joined the Library online since we closed on 23 March will need to provide proof of address to borrow items.

4. How will you make the library safe?

The risk of contamination from paper-based materials is low and scientific evidence shows it only lasts for approximately 24 hours. All materials used will therefore be quarantined for 24 hours before they are returned to shelves for reuse.

A reminder that all visiting patrons must adhere to 1.5 meter social distancing.
