OUR YOUTH STAFF

Our Youth Staff are responsible for the safety and wellbeing of members whilst they are participating in Youth Services activities. To ensure young people have support available if required, our Youth Staff often work closely with youth support agencies whose core service offering is providing individualised support for young people, for a range of needs. If you have any issues or concerns, or want some advice, let a staff member know.

TIX & PROGRAM COSTS

Most of our youth programs are free, however sometimes young people will need to get tickets to events or book their spot in programs to attend. We'll always let you know when and how you need to do this.
