

The Cossack Heritage Trail

The Cossack Heritage Trail explores the town's standing as an icon to pioneers who developed the first port in the North West. Explore the town by driving, walking or biking around the designated trails. The entire trail is approximately 3 kms long and is designed to begin and end at the Bond Store.

Recreation in Cossack

Enjoy the nature walking, bird watching, turtle spotting, fishing, photography, kayaking to Jarman Island and the surrounding Harding River.

See the moon rise over the ocean from Reader Head Lookout Staircase to the Moon.

The centre of town is often visited by travellers, schools, and tour/community groups. It has an ideal picnic area suitable for small or large groups with tea and coffee available.
