I'm Bradley Davy, a devoted single dad, passionate TAFE educator, engaged school board member, dedicated sports coach, and Football's community umpire coordinator. These roles define my journey of service and leadership, shaping my commitment to our community's prosperity and growth.

Understanding the financial challenges families face, I'm dedicated to addressing the cost of living. I envision initiatives that support affordable essentials and providing events and activities for all community members to enjoy regularly without cost.

I am equally devoted to the creation and maintenance of recreational parks, providing spaces for families to come together in leisure, allowing kids to play more freely with shade and playground areas.

Airport travel routes are crucial for our community's growth and leisure. I seek to improve and grow these routes, ensuring smooth connectivity for both residents and visitors for options outside of Western Australia.

Let me be a new voice, with fresh ideas!
