Enrolment status	GRABENHOFER, Kristie is eligible to stand for election as a resident of the City of Karratha.

My name is Kristie Grabenhofer a local resident of Karratha since the age of 6. Now in my late 40's I have had firsthand experience of Karratha's evolution and changes.

My four children were born here and attended the same primary school I did as a child, Millars Well Primary. My eldest 25, youngest 11.

I am the owner of Dance Kix Karratha since 2008 teaching families of all ages since 1997.

My dedication to teaching has always been about providing an all ages fun, artistic outlet that encourages and benefits general wellbeing.

I have always been a passionate advocate for mental health within our community and have been particularly vocal about our lack of professional services Karratha has since the passing of my eldest son early this year.

I feel that as a council member I will be able to contribute to the wellbeing of our community by voicing local views especially pertaining to the deficiencies and lack of resources in the medical field that our families so desperately need and deserve.
