Our family loves living in the Pilbara. I am a father of 4 children, 2 are currently attending St Pauls primary and I am a Project manager in the Oil and Gas industry.

I am not a member of any political party or looking to use this position to further political aspirations. I have no business interests or conflicts, I'm here to represent your interests in our community. Let's improve local infrastructure, enhance public services and advocate for policies and funding from Government and Industry that benefit our whole community, not just sections of it. I am dedicated to making our town a better place to live.

I believe that open communication is essential for effective governance, so please don't hesitate to reach out to me with your ideas, questions, or any issues you'd like to discuss. Together, we can work towards a stronger, more vibrant, and inclusive community that we can all be proud to call home. With that I aim to bring Dreamers Hill back to the lively heart of Karratha again.
