District	<b>City of Karratha</b>
Nominating for	<b>Councillor for City of Karratha</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>ROOTS, Sarah is eligible to stand for election as a resident of the City of Karratha.</b>

My decision to nominate for council is driven by motivation to affect positive change and my intention is to be an active, inclusive and engaged link between community and council.

In 12 years of experiencing all that life has to offer on Ngarluma Country, I have learned of many unique advantages; alongside many real struggles involved with living remotely.

The privilege of working across a broad intersection of the community over 10 years, has provided me with a profound understanding of areas where local government can cultivate a thriving future for all residents and ratepayers of the district.

Areas of interests; community wellbeing, senior and youth services, arts & cultural activity, economic diversification.

Key skills; solution driven, active listener, radical collaborator keen to learn, undeterred by difficult conversations.

I am eager to work collectively with fellow council members to contribute to the betterment of living and thriving for all within the City of Karratha.
