As CEO of RDA Pilbara and having previously served as a Shire Councillor, MP, and being the individual responsible for christening our beloved City of Karratha in 2014, I'm enthusiastic about representing you as a Councillor. With diverse roles under my belt, I'm primed to champion our city's potential. My family and I cherish Karratha, envisioning its continued growth.

In collaboration with a team of dedicated Councillors, I aim to expand domestic & international flight connections beyond Perth to provide more opportunities for overseas and domestic holidays, liaise with State & Federal agencies to bolster childcare, health, and housing, draw major brand investments in retail and leisure industries, designate land for a foreshore entertainment hub, enhance our boat ramps with fish cleaning services and restrooms and amplify local events.

Together, let's drive Karratha's prosperous future.
