Candidate name	<b>Michelle SOUTH</b>
District	<b>City of Karratha</b>
Nominating for	<b>Councillor for City of Karratha</b>
Election type	<b>Extraordinary</b>
Enrolment status	<b>SOUTH, Michelle is eligible to stand for election as a resident of the City of Karratha.</b>

I have called Karratha home for 10 years and live in Bulgarra with my partner and our young daughter. Like many of you, I came here with a “two-year plan” and fell in love with the town and amazing community. Now I’m looking to give back by shaping Council decisions regarding our community.

I have seen and experienced firsthand, the critical shortages we have in services such as childcare, housing and healthcare. I also understand the impact this can have on families and home life.

If elected, I will push for tangible action on these things, as well as introducing new recreation activities for families.

As Customer and Community Manager for Horizon Power, I engage with many residents and groups, which has led me to develop strong relationships across the community.

I believe listening and understanding is paramount when it comes to the community. It is only through these conversations that a Councillor can truly represent local views, make sound decisions, and use public funds effectively.
