Candidate name	<b>Brenton JOHANNSEN</b>
District	<b>City of Karratha</b>
Nominating for	<b>Mayor for City of Karratha</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>JOHANNSEN, Brenton is eligible to stand for election as a resident of the City of Karratha.</b>

Through hard work and smart investment strategies I've managed to achieve a financially sustainable position living in Karratha, I didn't expect the position to receive substantial financial remuneration so I pledge to donate 100% of the Mayor allowances to local charities and community groups, I feel it can be used effectively elsewhere throughout the community.

I've spent years being the eyes on the road and a listening ear for everyone concerned, I will question and debate all ideas and not just follow.

Community suggestions, neighbourhood safety, more opportunities for locals, ratepayer discounts at local facilities, relocating airport smokers area, eco friendly weed management, mental health support, playground at the Quarter, Wickham shaded courts, undercover solar parking, Dampier marina, international airport, paint the tank.

I will be a committed full time Mayor, my goal is to visit all businesses and resident groups on a regular basis to touch base and discuss any new issues.
