Candidate name	Pablo MILLER

Nominating for	Mayor for City of Karratha

Enrolment status	MILLER, Pablo is eligible to stand for election as a resident of the City of Karratha.

I'm proud to call Karratha home and would be honoured to represent you as Karratha's Mayor.

Nearly 12 years ago I moved to Karratha to start my career in media. By week two I'd met my future wife, and quickly fell in love with her, the Karratha community, town and lifestyle.

As a sitting councillor, radio announcer, parent, and former local business owner I have gotten to know many of you, shared your concerns, cheered your victories and embraced your challenges.

As your Mayor I will continue to not only listen, but be a strong advocate for our community.

I believe all the small towns within our municipality are important to our region and I am committed to working with you to further community wellbeing and services.

I'm particularly interested in expanding opportunities for young people and families, growing local cultural tourism, supporting local business, improving environmental practises, bolstering mental health facilities, expanding community engagement and reactivating the CBD.
