Owner of North West Brewing Co, Husband to Kresta Scott and proud Father of three young boys.

I have a vision for growing Karratha's economy.

1. A plan to create an Education and Sporting Precinct between the TAFE and St Luke's College, with student accommodation for Secondary and Tertiary students. A new home for the Pilbara University Centre and a sporting hub for Soccer, Rugby, Hockey and Gymnastics.

2. Working with the State and Federal governments to have a housing program rolled out to house the families and workers and limit the need to FIFO. Without affordable housing, we can't expect our population to increase.

3. Continuing to work on extra airline services to get us better connected.

This is a vision for building the foundations to grow Karratha into the #CityoftheNorth.

With a new CEO and executive staff and a cultural shift in the administration, it's time for new leadership that will compliment this team.
